Large Apartment, Commercial Land Use Is Indicated

A preliminary plan of the 900-acre Christen Dairy Ranch property, which calls for a shopping center larger than Stonestown or Hillsdale Shopping Centers, was revealed to a group of interested citizens at Daly City city hall, Monday night.

The presentation followed a meeting last week of planners of Wilsey, Ham & Blair, planning consultants of Millbrae, with Daly City officials and representatives of three north San Mateo County school districts.

The land use plan indicates a very relatively small area for single family homes, indicating the majority of the area is for high density apartment type construction and commercial use.

This 84-acre shopping center, larger than either Stonestown and Hillsdale, will be in the area of the intersection of the Edgemar Freeway and Junipero Serra freeway.

Planners indicated these two freeways have a combined total of 203,000 cars per day going past the shopping center, making this one of the most heavily traveled areas in the state.

Citizens Monday asked how can the city be sure that if the shopping center area is zoned commercial there would be enough interested merchants to come in and develop it.

Planners said this area showed indications of having a greater income per capita than the existing portions of Daly City.

Sales tax studies indicated the area's residents would support the shopping center.

The Daly City staff plans to make a detailed check of what the taxable income of the area will be in relation to the required services of the area.

George S. Gatter and John Nordmark, representing the planners, told officials at the meeting in San Francisco last week that the plans at this stage are preliminary and that major design decisions, including location of the shopping center, hinge on the precise location of proposed state highway and freeway routes and interchanges.

Discussed briefly were proposed sites for a high school and four elementary schools which may be located on Christen lands and adjoining property lying within the Jefferson elementary, Jefferson High and South San Francisco unified school districts.

Gatter said he had asked for a series of meetings with all school representatives to begin immediately so that the school needs for the area may be carefully considered in the detailed planning.

MAJOR CONTRIBUTION — Miss Gaby Karelitz sits prettily on the mystery box, to be loaded with some $1,000 worth of prizes from J. C. Penney's of Westlake. The prizes, to include gift certificates, merchandise and services, will be auctioned off on television on the June 4 KQED auction.

Daly City May Lose Cow Palace

By Jack Wood.

Daly City, a community which undoubtedly doesn't carry as much weight as San Francisco, stands to lose in its attempt to annex the Cow Palace.

A bill to block Daly City's attempt to annex this building was passed by the Senate and sent to the Assembly on Monday.

The measure by San Francisco Senator Eugene McAteer would make an annexation overture illegal without consent of the Cow Palace directors.

Another amendment of the bill would also make it illegal to annex a housing project without prior consent.

If the bill is passed, then "Midway Village," a housing project in Bayshore City, would be excluded from the annexation of some 380 acres of Bayshore to Daly City.

This would leave the housing project without fire protection since the Bayshore fire district would no doubt be dissolved into the Daly City fire district.

The Cow Palace, if successful in pulling out of the annexation, also would lose its fire protection, which is now provided by Bayshore City.

Daly City Attorney Paul Hupf has called the move by the Cow Palace directors a matter of "power politics."

"We think this is special legislation. They found a law that didn't suit them," Hupf said.

The Attorney General's office acted for the Cow Palace to present the bill now before the Legislature.

The bill was introduced after Daly City had started annexation proceedings with Bayshore City.

Hupf said the Cow Palace was included in the Bayshore City annexation because it was not the intention of the City of Daly City "to create islands."

The building, he said, is not a real financial boon to the city, but would be valuable as far as publicity is concerned. The publicity of the Cow Palace is apparently of

Unification Committee Gets Support

The Daly City-Colma Unification Committee "gained momentum" during the past week in their drive for active public support of the JESD Board of Trustees position on the unification issue.

Several telephone committees were activated and reported good results and increasing community interest as the week drew to a close.

The local PTA groups have indicated they will undertake a concerted door to door campaign to familiarize every citizen with the importance of unification and the critical necessity for a sound local plan.

Speaking for the Unification Committee, Richard Newton stated: "The Unification issue is a vast complexity of facts, statistics, and theory and does not readily lend itself to public understanding."

The JESD Board of Trustees opposition to the plan suggested by the County Committee on Unification should of itself be the most compelling reason to join the public protest. It is an absurd incongruity that we have elected these public officials but find it so difficult to stand firmly behind them in their efforts to defend and preserve our present level of education."

Route 56 Plans Are Approved

San Mateo County board of supervisors Tuesday approved the plans for state route 56 as presented by the State Highway Department.

The approval came when the highway department indicated that they would give every consideration to changes proposed because of tentative plans for a shopping center in the area.

State route 56 will connect Junipero Serra blvd. with Skyline blvd. through the Christen Ranch lands.

Charge Veto Against New College Site

Governor Edmund G. Brown has in effect vetoed the Senate bill to appropriate $7,000,000 for a San Mateo State College by refusing to designate it an emergency measure, State Senator Richard J. Dolwig (R-San Mateo County) charged today.

Senator Dolwig, who last week won "policy approval" of the measure by the Senate Governmental Efficiency Committee, said the Governor refused to issue an "urgency letter" for S.B. 52, which was scheduled before the Senate Finance Committee Thursday.

"Brown has the power of silent veto over any Senate money bill through use of his urgency letters," Dolwig said. "This is because of an ironclad procedure rule that only measures with the Governor's endorsement can be considered ahead of his budget."

Since as a practical matter Senate bills must be out of committee by approximately June 6 in order to reach the Assembly in time for committee consideration, the effect of Brown's refusal amounts to a veto, the San Mateo Senator said.

"There is almost no chance that the Senate Finance Committee will be able to hear my legislation to appropriate $7,000,000 for a state college in San Mateo County in time for Assembly action," Dolwig said. "The Governor—as an extremely practical politician—knows this very well."

"My Administrative Assistant received verbal confirmation of the refusal, and the comment was made by a member of the governor's cabinet that he is backing the Coordinating Council for Higher Education in taking this action.

"If that isn't a veto, I don't know what it is."

Senator Dolwig also reported that there was an inaccuracy in a letter from Hale

Annexation Questions and Answers

Q. Why are the people in Bayshore City to vote on annexation and not the people in Daly City?

A. The vote must be in the area to be annexed.

J. Why won't the people vote in the matter of a Christen Land annexation?

A. The Christen Land would come under the uninhabited annexation act, in which case the City Council must vote. The people may vote only by way of referendum.

Q. Why did the people vote on the Callan Annexation?

A. There was disagreement among the citizens as to the council's decision to annex Callan lands. A petition was filed for a referendum vote and the electorate rejected the annexation.

Local Dolls To Compete in Miss DC Finals

Five Daly City dolls will compete for a chance to represent their city in the Miss Blossomtime Contest tonight at 8 p.m. at the Miss Daly City Finals.

The event will be a dinner at the South San Francisco Elks Club, on Hillside boulevard, one mile south of Cypress Hills golf course.

Competing will be Claudia Smith, 18, of 71 Garden Grove drive, Judi Ann Homan, 17, Gloria Morrissey, 18, of 48 Crestline; Sharon Schroder, 17, of 368 Belleview avenue and Karen S. Schroeter, 20, of 40 Crestview.

Senate Committee Recommendations:

Transit Bill Approval

The West Bay Transit bill, SB 748, which will enable the Peninsula to have its own, less costly transit system, passed another hurdle and was sent to the senate floor for a vote with a "do-pass" recommendation from the Senate Finance Committee.

The bill, authored by Senator Richard J. Dolwig (R.-San Mateo County), previously had recieved approval by the powerful Senate Transportation Committee.

It will probably come up for passage by the Senate early next week, and then will move to the Assembly side of the legislature.

Because of heavy pressure from Alameda, and other members of the Bay Area Rapid Transit District, Senator Dolwig said, the bill has been amended to remove any mention of San Francisco or Santa Clara County.

"However, it is important to point out that at this stage West Bay Transit is merely enabling legislation which will permit San Mateo to make a thorough study of the special rapid transit needs on the Peninsula.

"Santa Clara and San Francisco counties may join with San Mateo County at a later date, since there has never been any question that coordination of rapid transit in the Bay Area is a necessity."

Dolwig noted that San Mateo County removed itself from BART because it was felt that too heavy a tax burden was being created upon Peninsula taxpayers, and that a greater measure of home rule control was needed.

The West Bay Transit bill, which has the endorsement of most of the active civic groups in San Mateo County, was endorsed in the Senate Finance Committee meeting by the Board of Supervisors, the San Mateo County Development Association and the San Mateo Government Research Council.

10 New Events in Recreation Program

A whole string of new events have been added to the list of the Daly City Summer Recreation program, directed by Charles Vincent.

The program is held from June 17 to August 23 and is a coordinated program presented by the rec department, City of Daly City; Jefferson Elementary School District and the Jefferson Union High School District.

A gemstone jewelry class, mosaics class and copper tooling class are new events in youth activities.

The gem class is an activity planned to introduce youths to simple techniques in jewelry making. A recent upswing in copper tooling projects for home decoration has prompted the offering of the copper class.

Another new project: A feature length movie program will be shown at 11 different facilities on Mondays, Tuesdays and Wednesdays.

Story Drama is new. This activity has been planned for children of elementary school age as an introduction to drama. The children hear favorite children's stories and enact them without scripts.

Tennis will be offered again this year for ages 8 years and over.

Teen Drama is new. This activity will offer the teenager the opportunity to experience readings, rehearsals and drama presentations. Three hour sessions will be held twice a week.

The special event schedule will include two new events: A Cruise of San Francisco Bay and Angel Island Trip.

Adult Activities — Weightlifting at the War Memorial building, is the newest event.

A Daly City Youth Band will be co-sponsored by the Daly City Recreation Department and the Westlake Music Center. This group is offered free of charge and is open to any Daly City youth who plays a musical instrument.

SELLING ADS for the new Daly City business directory is Ramona Birke, city hostess (left), with prospective buyer Fred Martin of Serra Realty. 6834 Mission street. The new directory will be given free to each homeowner in Daly City and will list some 300 businesses, plus essential city hall, police, fire and emergency numbers. Twenty-thousand copies are to be distributed.

Transit Bill Gets Approval

(Continued from Page 1)

"This becomes especially timely now," Senator Dolwig said, "in view of the recent amendment to the one-cent gas tax, city-county road program bill, SB 344, which I co-authored with Senator Randolph Collier (D-Shasta County)."

This bill has been amended in the assembly, with the agreement of authors, to permit use of funds for local rapid transit if the county board of supervisors decide this would be necessary.

The Dolwig West Bay Transit Act, once approved by the assembly, would authorize San Mateo County's board of supervisors to adopt a resolution of need for rapid transit operation. (The final program, however, once a master plan study of need and financing had been completed by the board of governors, would have to be approved by two-thirds of the voters.)

The San Mateo senator also commented that since BART has been held up in litigation for so many years, and because the West Bay Transit study will be on a much smaller scale, the two systems may well be ready at nearly the same time.

Champion, Director of Finance, opposing S.B. 52. The letter states, in part:

"Opposition to this bill is based on (a) the position taken by the Trustees of the California State Colleges and the Coordinating Council for Higher Education that no new state Colleges should be established by the 1963 Legislature, and (b) the fact that this project will have to be funded from the $14,000,000 left in the 1962 Bond Program, which would mean deferral of projects on the bond list."

Dolwig said that the position of the Trustees of the California State College was not in opposition to a San Mateo State College.

"The Trustee report and Chancellor Glenn Dumke asked that an immediate start be made on the college in order to meet the high school graduate population problem that will be unable to get into a college by 1970," Dolwig said.

"There is no question the money to purchase a San Mateo State College site is legally available in the State Educational Bond Fund approved by the voters last November.

Students Win Awards

At the annual awards assembly, held May 28 at Westmoor High School, many students stood in the spotlight.

Honored for their grades, 13 life members of the California Scholarship Federation were given recognition. Paula Hirshberg, Michael Hunter, Ann Irby, Marguerite Jarchow and Richard Katz. The pins, a symbol of life membership, were also handed to Laurel Kimbrell, Carol Kirchman, Kenneth Lehre, Virginia Maches, Gloria Moore, Jack Petranker and Marilynn Wagner.

Each department at Westmoor also hands out awards and certificates. Sophomore Kathy Colman received a special art department award while the Bank of America Certificate in art was presented to Larry Pearl. In the field of business, Pat Marks walked off with both the Bank of America Certificate and the Vocational Arts Trophy.

Three journalism awards were given: Sherry Rosen was given the high school press award for her story on the Panel for Americans. Both Marilynn Wagner and Sandy Randall were given honorable mention awards by the Press and Union League Club for newswriting and feature writing, respectively. Marilynn Wagner also received from the English department the Bank of America Certificate and the Liberal Arts Trophy.

This year the French classes participated in a national test. Three girls, Ann Irby, Carole Gallman and Linda Hodgkiss, obtained the Prix d'Honneur in third, second and first year French, respectively. In the language field, Ann Irby also received the Bank of America certificate.

The homemaking department had a new award this year for the outstanding student. Pam Altman was chosen for this honor for all the fine work she did. Paula Hirshberg, who also does well in this field, was given the Bank of America Certificate for homemaking.

The Industrial Education department also gave a Bank of America Certificate, which went to Rich Fields. Because of Rich's great interest in industrial arts and his work, he was chosen Industrial Arts Student of the Year.

A Bank of America Certificate was also given to the math department's best student, Eugene Poggio, who also received a medal for his top score on the national math test.

The music department had many awards to give out. To senior Ken Gates, the Bank of America Certificate and the Fine Arts Trophy were presented. A few months ago, several members of this department participated in a contest at Stanford University. Larry Blake, because of his trumpet solo, was given a command performance, while he, Mike Rutledge and Brad Hansen were given an excellent rating for their trumpet trio. Helen Wisler followed the steps of Larry by obtaining a command performance for her flute solo. In the vocal competition, Ralph Henn received a superior rating, Tony Carilli an excellent rating and Bob Stein an excellent rating. The local Modern Music Chapter awarded to Charles Brickley the "Top Notcher" award for his composing and arranging.

The outstanding boy athlete chosen for his great job in football, basketball and baseball was Steve Schmuck. G.A.A. president Leslie Mertens was chosen the outstanding girl athlete for her work with G.A.A.

Through the science department, Pam Byrne received recognition for her cancer experiment by being presented a certificate from Bausch & Lomb. Ken Lahre, a budding scientist, was given the Bank of America Certificate in Science and the Science and Math Trophy. Junior Jim Fotenos was also honored for his excellence in chemistry.

For his achievement of straight A's through all of his social science classes, Jack Petranker was given the Bank of America Certificate in this field.

On May 25, sophomore Linda Wallace placed third in the Chinese speech contest. Westmoor has just started a Chinese course this year.

Jane White was given an award for the pep girls since they placed second at a competition clinic held at South City High School.

some value to San Francisco.

Hupf said that if the bill does go through, then he predicts Daly City officials will not pursue the matter further.

Daly City officials are expected to fight the passage of the bill in Sacramento.

Superior Court Judge Bills Are Introduced

Similtaneous bills have been introduced in both levels of the state legislature to create two new superior court judges in San Mateo County, bringing the total to nine.

Senator Richard J. Dolwig's measure, SB 787, has been given a "do pass" recommendation by the Finance and Judiciary Committees and is to be voted upon by the Senate this week.

A similar bill, SB 786, which will add a second municipal judgeship to the northern municipal court district in South San Francisco, has also been recommended for approval by the Senate.

AB 163 is scheduled for its hearing today before the Assembly Ways and Means Committee.

Assemblyman Leo Ryan stated that "while the Judicial Council has recommended an increase of only one judge, I am certain that the combined support of the county board of supervisors, the County Bar Association, the County Grand Jury and the Superior Court Judges will do much to overcome their recommendations.

New Way With the Drinking Driver

Many men have thought up many schemes to get drivers to refrain from driving after they have been drinking.

The latest such scheme to come up, according to the National Automobile Club, is that of a police chief in Massachusets who has a photographer take a photo of the offender, waits until he sobers up, then shows him the photo. When the offender sees how alert and attentive he looked when well gone in his cups, he's presumably so unnerved that he never again tries to drive after drinking.

Friends of Library End Successful Year

Friends of the Daly City Library brought the year to a successful conclusion in their annual meeting last Thursday (May 23) in the Coral Room of the Westlake Library.

In the absence of both the president and vice president, Mrs. D. R. Calvert, recording secretary, took over the chairman's duties for the evening and introduced the featured speaker, Ronald E. Ankron, instructor-at-large in the music department of the San Francisco elementary schools.

His program on music appreciation illustrated with records from the Daly City library collection was received with considerable enthusiasm.

Principal business of the evening was the election of officers. The nominating committee, under the direction of Mrs. Lionel Farber, proposed the following slate, which was voted in unanimously:

Mrs. Del Wilson, president; Mrs. James Poor, vice president; Mrs. U. R. Kendree, recording secretary; Mrs. John Drye, corresponding secretary; Mrs. Frank Specht, Jr., treasurer, and Mrs. Julian D. Cohn, parliamentarian.

The board of directors will consist of Robert Evans, Mrs. Lionel Farber, Mrs. Vinton Stratton and Mrs. Herbert Wiener.

With the serving of refreshments, the meeting ended on a social note.

DC Garden Club to Meet June 11

The Daly City Garden Club will meet Tuesday, June 11, at 8 p.m. in the War Memorial Community Center at Mission and Alp streets in Daly City.

Mrs. Richard Hunter, program chairman, has announced that the guest speaker of the evening will be Allen Jardine of the California Chemical Company's Ortho division. A color film will be shown. The topic, "World of Insects," will be followed by a question and answer period.

William G. Huston, Jr., president of the club, has announced that no meetings are scheduled for July and August. Regular monthly meetings will be resumed the first Tuesday in September.

Hostesses for the evening will be Mrs. Albert Morris and Mrs. C. J. Dunow. Refreshments will be served during the social period at the close of the meeting.

All club members are reminded to bring plants for the plant table. There will be interesting plants for the exhibit display table.

The meeting on May 7 was rated a huge success by both members and guests. Anyone interested is invited to attend the June meeing.

For the past eight years, Carbone has served as IBM tabular supervisor in San Francisco and Richmond.

Soldier Held in Hit-Run Accident

A five-year old Pacifica boy was in satisfactory condition at Kaiser hospital Saturday morning after being hurtled 21 feet by a hit and run vehicle Friday afternoon.

The victim was John Jr., the son of Mr. and Mrs. John Geertsema, 1185 Alicante drive, who was run down while sitting in a pedal cart in his yard.

Being held are Pfc. Robert L. Farley, 18, 405 Serrano drive, San Francisco, and his 16 - year - old Pacifica girl friend. Farley, a former Pacifica resident and now a soldier stationed at the Presidio, was charged with felony drunk driving and felony hit-and-run. The girl was turned over to juvenile hall as being an accessory after the fact.

According to Pacifica police, Farley picked up the girl after school and then sped up Alicante at a high speed. He was passing two school buses when his vehicle spun out as he veered to avoid an oncoming vehicle.

The police said his vehicle slid over 300 feet sideways, across several lawns and hit the child, throwing the boy 21 feet into the side of a house. The vehicle came to rest headed in the direction from which it had come.

The youth then sped away but not before witnesses had gotten the license plates and recognized the occupants. Witnesses also testified that the girl had thrown two beer cans out of the vehicle.

Vista Mar Second Grade Visits Airport

Miss Mary Helen Monroe's second grade glass from Vista Mar School went to visit the San Francisco International Airport in connection with their study of "Transportation" in and around Daly City. The trip to the airport was most beneficial. It helped to strengthen and support visually the information which had already been established at the classroom level.

James Sorci, the extremely capable guide, showed the children the complete sequence from the time a passenger arrives at the airport until his plane is airborn. This made the dependence and inter-dependence which must exist between workers for the efficient and effective operation much more meaningful to the children.

Dr. Heffernan To Lecture on "Child Today"

Dr. Helen Heffernan, California State Department of Education, will speak to teachers and administrators of the Jefferson Elementary School District on Thursday afternoon, June 6, at 3:30 in the multi-use room of the M. Pauline Brown School. Her announced topic is "The Child in Today's World."

Dr. Heffernan, an internationally-known educator, has been chief of the Bureau of Elementary Education for many years. She has lectured and taught in many colleges and universities, including Harvard and Stanford; has assisted foreign governments, such as Liberia and Japan, in setting up modern school systems and is the author of numerous books concerned with the education of elementary school children.

The newly-organized Daly City Association for Childhood Education, a branch of the California Association, is presenting Dr. Heffernan. This organization, usually referred to as ACE, has been working many years for the education and well-being of children in local communities in California, and for children everywhere through the program of the International Association, which has its headquarters in Washington, D.C.

Anyone interested in the well-being of children is eligible for membership. Those who would like to know more about the purposes and activities of this organization may contact Mrs. Margery Yates, WYman 2-1000.

THICKER HAIR—A HEALTHIER SCALP
GUARANTEED BY AMAZING NEW METHODS
S. I. Turoff, well-known scalp authority opens a 6-day hair clinic to demonstrate remarkable new scientific methods, that stop hair loss, eliminate dandruff and help grow stronger, thicker hair; We offer complete introductory hair and scalp treatment for $2 during Clinic Week—next 6 days.

S. I. TUROFF
Director California
TUROFF CLINICS

QUESTION: IS BALDNESS INHERITED?
ANSWER: Definitely NOT. WE MAY INHERIT A TENDENCY to baldness, not baldness itself.

QUESTION: What causes baldness?
ANSWER: Many things, among them excessive dandruff, poor circulation, neglect. It takes a professional to determine the factors in each individual case.

QUESTION: What can be done about baldness?
ANSWER: No matter WHAT stage of baldness you have reached, your hair can be regrown with proper treatment, if the roots are alive.

FIRST REMARKABLE TREATMENT Next 6 Days To New Clients

What ARE the Danger Signals

These are definite warnings, and everyone can recognize them. DANDRUFF means there are bacteria at work. If they are not removed, they choke off the hair roots, a bald spot soon appears, and baldness spreads until you are completely bald. The same is true of EXCESS FALLING HAIR and ITCHY SCALP. In fact, anything but a healthy, good-looking head of hair means something is wrong and you MAY BE ON THE WAY TO BALDNESS. The longer one waits, the more advanced the condition.

AMAZING NEW METHOD MUST BE EXPERIENCED to be APPRECIATED

$2 is the complete charge for your first remarkable TUROFF treatment during this SPECIAL CLINIC, for the next 6 days. If YOUR hair is thinning, over dry, or over oily—if you are troubled with dandruff, increasing hair loss, come in and see us during this special clinic for the next 6 days.

If the FREE examination shows we can help you, your very first TUROFF treatment will cost you just $2.00. Our guarantee: YOU MUST BE SATISFIED WITH THE WONDERFUL RESULTS IN JUST 4 TUROFF TREATMENTS OR YOUR MONEY BACK. Find out why thousands of happy Californians have made us California's biggest, with many busy offices.

No Treatment Like This Anywhere—Prove It to Yourself!

Name Westmoor Valedictorian, Salutatorian

Top honors of valedictorian and salutatorian for Westmoor High School's graduating class of 1963 were claimed by Ken Lehre and Roye Abbott, respectively, at the awards assembly on May 28.

Ken stands first academically in a class of 265 despite carrying a heavy course schedule which included analytic geometry, English, German, physics and sociology.

A life member of the California Scholarship Federation and president of the Science Club, Ken also received recognition at the assembly as a recipient of a scholarship from the California Savings and Loan League.

Higher learning in the field of theoretical physics will occupy Ken's immediate future. He plans to become a member of the student body at the University of California at Berkeley.

For his academic endeavors during the past four years, Roye Abbott has earned the title of class salutatorian.

Of college life, Roye has already had a taste. This past semester, he participated in the San Francisco State College program which offers classes to the top 15 students of high school senior classes. Here he delved in biology and lab work.

His weekday mornings are spent on the Westmoor campus in the English, civics and United States history classes.

To enter the working world for at least one year following graduation is Roye's future plan. He hopes eventually to pursue his avocation, fishing, toward a more lucrative field —writing hunting and fishing stories.

Farmers Insurance Group Recognizes District Manager

Douglas H. Smith, District Manager of Farmers Insurance Group, 6178 Mission street, Daly City, was honored with an award marking ten years of association with the insurance organization. Making the presentation was Bob Van Dusen, regional sales manager.

This will be the second time that Smith has received recognition for his years of service with the company. The awards are given for each five years of association with the organization.

Hillside Homeowners Club Meets June 7

First meeting of the Hillside Homeowners Improvement Association will be held June 7, room 12, Colma school at 7:40 p.m.

James Young, of the newly opened Serra Nursery at 197 B street, Colma, will talk on gardens and gardening. Free gift plans will be presented and door prizes awarded.

Cub Scout Pack 350 Holds Final Meeting

Cub Scout Pack 350 sponsored by Vista Grande School's PTA held their last meeting of the season in a blaze of awards.

A candlelite ceremony was the main event of the evening presenting awards and wishing luck to the following Scouts that are leaving the Cub Pack to become Boy Scouts: Bill Romo, Scott Teraschi, Richard Wieble, Dennis Carlascio, Joey Periera, William Merez, Bill Lindsey.

The following awards were presented to the Cub Scouts of Pack 350:

Pete Bogdan, 1 stripe, (assistant denner), 2 silver arrows; Salve Morales, denner, 2 stripes; Dennis Carliscio, lion badge; Richard Wieble, lion badge, gold arrow; Ralph Domato, silver arrow; Mike Villereal, denner stripes; Albert O'Bringer, wolf badge; Bill Bates, wolf badge; Phil Purganan, wolf badge; Joey Periera, lion badge; Gene Gamoski, bear badge, gold arrow, assistant denner.

A special citation of thanks was awarded to Mrs. Laura Lindsey one of Pack 350's Den Mothers who is leaving us after many years of service. Mrs. McMemomy will be taking her place in September.

ALEC Goes Outdoors For Summer Season

A 14,000 square foot display of equipment, furniture and supplies for outdoor living will be ALEC's way of welcoming the summer outdoor season this weekend at ALEC Membership Shopping Center, 255 D St., off Junipero Serra in Colma.

Many of ALEC's departments will move outdoors Thursday, June 6, through Sunday, June 9, to help shoppers enjoy the sun while getting ready to make the most of the Northern California summer, according to Manager Randy Kruger.

Little bundle of joy... big bundle of bills

Following little bundles from heaven come big bundles of bills. Average for a baby's first year, say the experts, is $1000. Crocker-Anglo can show young families how to plan ahead financially for this and other costly milestones of happy family life: How to make a checking account work for you, and how to make what you have go farther by *managing money better*. Take the time to meet your Crocker-Anglo man and learn about his helpful banking services. And remember—if bundles of bills have already arrived, he can help you arrange a Crocker-Anglo family loan.

View our thought-provoking TV program, "Probe," with Dr. Albert E. Burke. For time and channel, see your local TV log.

Forest Farm Camps

ESTABLISHED 1943

A CHILD IS PRECIOUS

Our greatest wish is for each child to have a joyous and worthwhile experience thru camping. The Forest Farm program is based on this premise. Farm chores, cross-country and ring riding. Pool swimming. Out camping, the arts, dramatics and music, and a great variety of other activities make this possible.

What Every Woman Should Know About Her Automobile

By WENDY WHEELER
Auto-Torium Feminine Driving Consultant

Men are dreamers, and my husband is no exception. For years, he's been talking about traveling around the world. I encourage him to go ahead with his plans because it keeps him happy . . . but you and I both know that it will probably never become a reality. If it does, I'll be the last one to complain, that's for sure! In the meantime, we do manage to take short trips now and then.

These trips, however, are the bane of my existence . . . the car is loaded down with enough "gear and tackle" for an army. I am famous, you see, for being absolutely unprepared for everything . . . and so to balance this minor deficiency in my otherwise sterling character, my husband has gone to the other extreme. There's hardly any room for passengers in the car after he gets through loading it with equipment and luggage!

For example, he won't even drive across the Golden Gate Bridge without the following "necessary" items: one ice bucket, one litter basket, two toothbrushes, a cooler chest, a traveling clothes bar, one gas can, one water bag, several highway flares, a tissue dispenser (for runny noses), and a large basket full of cookies, sandwiches and other high-calorie snacks.

All we need is an elephant to make it a real safari!

Now, I admit that it's all well and good to be prepared . . . like the Boy Scouts . . . and I'm even willing to take along some of these things. But recently I put my number nine foot down and declared that something had to be done so that there was room for people in the car, too.

My husband's true genius came to light when he went down to Auto-Torium and bought one of these luggage carriers that fits on top of the car. Now we have the family in the car and the bags out!

But, while he was there he bought some additional "necessary" items . . . like a ventilated cushion and a wedge cushion and one adjustable headrest. He explained that he likes to be comfortable . . . but he is working so hard at it that he ends up with a headache from just trying to keep track of all the equipment! Honestly, I just don't know how you can win . . .

These products for summer travel are good ones and they are nice to have, but the ones I think are "necessary" are not always the ones my husband would choose.

We do agree that one of the handiest things we have is a door lock especially made for automobiles which cannot be securely locked from the inside. This prevents curious children from unlocking the doors as they are prone to do. My mind has been so much more at ease since we go these . . . all you do is fit this outside lock over the rain gutter above the door and lock it into position. When the door closes the lock automatically snaps down and it can't be opened again except from the outside.

If baby makes three . . . or four . . . or more . . . in your family, you might find a lot of use for baby seats and baby beds on a long trip. You can even get bottle warmers.

I don't recommend that you get as carried away with being prepared for vacation and holiday driving as that man I live with, but a few of the things I've mentioned may well make the trip a lot more pleasant for everybody.

(Free copies, or Wendy Wheeler's informative and entertaining booklet, "What Every Woman Should Know . . . About her car," may be obtained at any Auto-Torium store or by writing to her in care of this newspaper.)

Fourth Graders Take Outdoor Study Trip

The fourth graders in Mrs. Jeane Oberlander's class at Vista Mar, went on an interesting study trip. This trip, in connection with a unit on geographic concepts, was planned by Miss Carolyn Dennis, student teacher in the class.

Their trip included Twin Peaks and the San Bruno Mountains where the class identified land forms, vegetation, rock formations, and also discussed conservation. Enroute to the sites the children took notes, naming the streets they were traveling, noting the weather conditions, and answered a study sheet pertaining to their study of geographic concepts.

The Veterans Administration provides hospital care daily for an average of 114,000 veterans.

At the time of the 1960 Census, the United States had a total of 45.1 million families, a gain of 6.6 million since 1950.

First All-NPL Nine Chosen

Hix, Jeffs' Sullivan Are Unanimous Choices

The first All North Peninsula League baseball team was chosen, Memorial day after several hours of careful analysis, by the six NPL coaches. They chose an old-fashioned powerhouse, a team that sports a .370 batting average on 97 hits, 12 of them home runs.

Neil McNevin, whose red-hot bat took the hitting crown from 1962 champion and early season leader Bruce Hix, was the unanimous selection for Player of the Year.

The mythical squad is dominated by sophs and juniors, with only two seniors making the first squad, a fact which bodes well for the immediate future and prestige of the NPL.

League champion South City placed both of their starting hurlers on the first team: Chuck Olivera, owning a 6-0 record, and an 0.80 earned run average, and Jeff Jones, holding forth with an earned run average of 1.00 and a win-loss slate of 4-0. Out of 230 batters faced, they gave up a total of seven extra base hits. Both Olivera and Jones wil return to the Warrior camp next year.

Mike Tyler, El Camino's sophomore receiver, completed the all-NPL battery.

South City's third representative, Neil McNevin, at first base, for the third consecutive year was chosen for an all-league aggregation. Taking the batting title with a phenomenal .577 average, McNevin also tied for home-run output with Hix. Both belted three over the fences.

Westmoor's Al Contreras received first team honors at second base, having committed only one error over the NPL season, while hitting at a .333 clip.

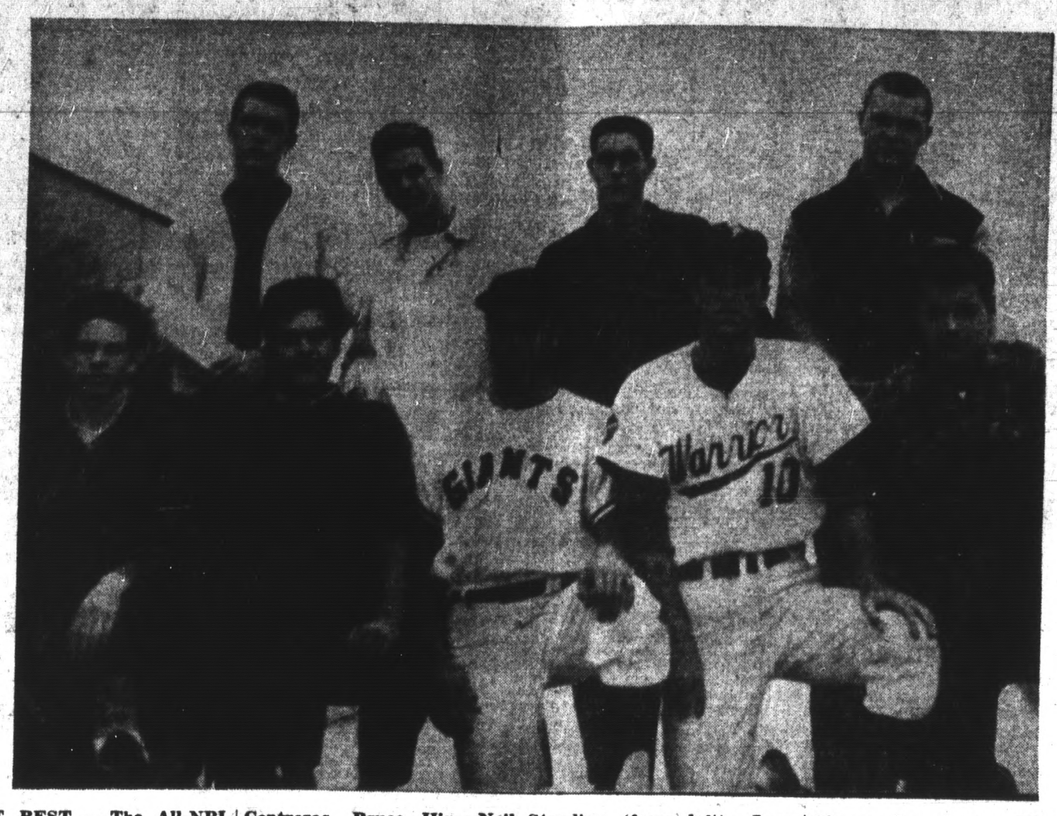
Junior shortstop Brian Cute, who hit at a .344 clip, held down the middle of the El Camino infield. In spite of committing nine errors over the NPL season, Cute was a unanimous coaches' choice.

Bruce Hix, unanimously nominated at third base for the second time, was the leading slugger in the NPL for much of the season, finishing with a fantastic .517 average. He was the undisputed RBI king, driving in 18 runs with his 13 hits, which netted a total of 26 bases. In addition to playing nearly errorless ball, Hix chalked up a 1-1 pitching record, boasting an ERA of 1.73.

In the outfield, Mike Gutierrez of Jefferson, Doug Rhodes of Oceana and Dan Gentry of Terra Nova took the honors. Gentry, a senior, played a season of errorless ball, while Gutierrez batted at .400 while finding time to compile a 1-1 pitching record. Rhodes, still a soph, hit at least once for the Sharks in each NPL game, ending the season with a .325 batting average. The Shark iron man was also a unanimous pick.

Jefferson's versatile Jerry Sullivan was another unanimous choice; for utility fielder, having played first, the outfield, and ealso earning a 3-3 pitching record. The big junior also managed a .345 batting average, his 10 hits driving in nine runs.

Receiving honorable mention, a classification that replaces the "second team," are Steve Shmuck, from Westmoor; Larry Keeling, Jefferson shortstop; Bill Zander, second base, and Kevin Roberts, pitcher, both Terra Nova juniors; Dave Westphal and Don Helm, who play third and also pitch for Oceana, and Dennis Davis, junior first baseman from El Camino.



THE BEST — The All-NPL baseball team (from left, bottom row): Doug Rhodes, Al Contreras, Bruce Hix, Neil McNevin (NPL most valuable player) and Mike Gutierrez. Standing (from left): Jerry Sullivan, Brian Cute, Chuck Olivera, Dan Gentry. Missing are Mike Tyler and Jeff Jones.

BYA Skyline Fades From First

The PAL Tigers' Bobby Nolan knocked the BYA Skyline Plaza out of the top spot in the Junior League this week. Nolan gave up four hits and drove in two runs. Teammate Val Sabuco hit two-for-three with two RBIs, and Nick Budea went two-for-four to help out Nolan as the Tigers won, 6 to 2.

Mike Chelone came through for OLPH with a one-hit game against the OLM Gunners. Gunner moundsmen had a bit of trouble with wildness as they gave up 11 walks and allowed 11 stolen bases. The OLPH Falcons turned these into ten runs for the 10-1 win. In the last four games, Chelone has given up only eight hits and has 30 strikeouts to his credit.

The PAL Cubs came through with a real cliffhanger in their game with the OLM Saints. Leading all the way, the Saints went into the last inning confident they were in the win column. Three straight pinch-hitters, led by Paul Pucci, tied the score at four-all. Proctor gave up seven hits to the Cubs while Pucci and Mini gave up six safeties to the Saints.

More than two-fifth of the nation's population are interested in the Veterans Administration because of their direct relationship to veterans.

Yanks Knocked Into Fourth By Leopards

Rod McArthur of the PAL Yankees lost a tough one to the OLM Leopards this week. McArthur, on the mound, allowed the Leopards only three hits, but errors by the Yank defensive unit turned them into nine Leopard runs. Seven Yank hits off pitcher Dave Spieth could only be turned into three runs, two of them triples by Brimrose. Steve Becker pulled off a great defensive play for the Leopards with a tremendous throw from deep leftfield to cut off Jones' try at a double. This win over the Yanks put the Leopards into a tie for second place and knocked the Yanks to fourth place.

Smoky Morton and the rest of the PAL Braves came up with a shutout over the PAL Indians this week. The Indians threatened for a while in the fifth inning when two hits and a hit batter filled the bases. Morton made the next batter fly out then took the front end of a double play to retire the side. Nick Gentile, Billy Meek and Dana Marcus all hit triples for the Braves. J. Manzares and Ken Kiser hit two for three for the Indians.

Going down hard this week, the Holy Angels Colts dropped one to the PAL Cardinals, 5-3. Ron Papes went all the way for the Cards, fanning 10, giving up three hits. J. Rebarber gave the Cards three for three, while Steve Kirby and Gordy Contreras accounted for two

Mrs. T. Brymer Wins Spring Golf Tourney

Saturday, May 25, at 4 p. m. was tee-off time for Cypress Hills Women's Golf Club members, who invited their husbands for nine holes of golf and dinner.

Mrs. Thomas Brymer was the big winner for the 54-hole spring tourney with a score of 210. Mrs. William Aragona was the next winner with a score of 225. Mrs. Skee Stranger came in third with 226.

Class B winners were Mrs. John Preston, 199; Mrs. Fred Williams, 206, and tied for Williams, 206, and (tied for third) Mrs. Charles Boerio and Mrs. Edwin Ray with 212.

Class C winners were Mrs. John Reynolds, 211; Mrs. Henry Cayla, 224, and Mrs. Fredrick Watt, 225.

Saturday night winners were "Hole-in-One," J. E. Stauffer, 8'9"; Mrs. Joseph Leonard, 9'1½"; Edwin Ray, 10'5", and Joseph Leonard, 13'10'.

Low putt winners were Frederick Watt with 14, Robert Oylce, 15; Fred Williams, 16; William Aragona, 17, and Mrs. Jack Stockton, 17. Mrs. J. E. Stauffer, Mrs. Edison Philips and Mrs. Dunbar Averill tied with 18.

The lucky door prize winners were Mrs. Robert Oyloe and Mrs. Edison Philips, dinner for two; Mrs. Victor Cortesi and William Aragona won the ladies and mens sweaters.

Par winners in Thursday's match were: Class A: Mrs. Fred Williams, even; Mrs. Thomas Brymer, three down, and Mrs. Skee Stranger, five down. Class B: Mrs. John Reynolds, four down; Mrs. Joseph Leonard, five down; (tie) Mrs. Charles Boerio and Mrs. Henry Cayala, eight down.

Daly City Girl Wins Title in PARC Tourney

San Mateo County has some new bowling honors perched on its collective mantel following completion of a state tournament for specially educated and handicapped children at Bakersfield.

The county's Golden Gators captured the team trophy for most pins spilled—and a Daly City girl, Virginia Chavez, won the girls' high series title.

Eighty-four children competed, with San Mateo County's contingent, sponsored by the Parents' Association for Retarded Children and the ChiTePa unit of the California Council for Retarded Children.

San Mateo County's winning unit knocked down 1,607 pins, including handicap, to take the over-all trophy. Members of the winning team were Gail Acers and John Turnbull of San Mateo, Miss Chaves and Margaret Hall of Daly City, and Richard Lobeck and Richard Dunning of San Bruno.

Miss Chavez had a 283 series with handicap in taking the girls' two-game title.

A second county team comof Redwood City, Carol Carpeting included Frank Fogel Mateo, Karen Norwitt of Hillslisle and Bruce King of San borough, Barry Nelsen of Millbrae and Diane Waidelich of Daly City.

Press Team Garners No. 1 From Shamrocks

Larry Formalejo put the Ben Franklin Press team back in the running this week with his third straight win. The Holy Angels Shamrocks could get only two hits off his pitching. Arnold Reis tagged three for four at crucial times to help out in the scoring department.

BYA Bender Roofers took on BYA Relish Bakery. Doug Rosen, the Roofers' hurler, had a shutout with two outs in the last of the seventh when the Bakers caught fire. A base on balls and three hits in a row gave the Bakers all three of their runs.

Rosen gave up two hits but pitched his best game of the season by getting out of trouble on two occasions.

The Bakers could not put a man on base until the fourth inning. Wayne Stienera got the only extra-base hit, a triple with one on. He also robbed the Bakers of four hits with fine running catches.

The Roofers were out-hit, eight to five, but they were hitting the ball so hard the Bakers couldn't handle it. This accounted for several errors that the Roofers turned into an 8-3 win over the Bakers.

Steve Back of the Roofers faced his buddy, Lou Gernhardt, of the OLM Aces and came away winners later in the week. It was a strange game.

Back gave up five hits and Gernhardt allowed five. Back walked six men, and Gernhardt walked six. Back left ten OLM basemen stranded; Gernhardt left ten Roofers stranded. Each team made five errors. The big difference was a triple with the bases loaded by Steve Back. Final score: Roofers 8, Aces 5.

Harry Mannini pitched the Holy Angels Shamrocks to a 5-2 win over BYA Relish Bakery to even the Shamrocks' record at five-five. Mannini survived a shaky first inning when he hit a batter and gave up two singles. The Shamrocks came through and got the third out for him at the plate to get out of the inning with only one run. Mannini gave up only two more hits. He struck out seven and walked two and came up with his third league win.

Dan Belluomini drove in two runs to lead the Shamrock attack. Mike Smith and John O'Dea drove in one run each for the Shamrocks.

Serra Bowl News

It seems that we're about due for a run down on junior action at Serra, with a re-cap of the most recent kegling last week in bantam and junior leagues.

Bob Doyle led the younger set in the high game department of JR.-SR. Boys bowling Saturday with a nifty 221 single effort in his 559 series as he paced the Sandbaggers to a 2-1 win over the All Stars. Jim Leatherberry ran a close second for the winners with a 197-555 threesome while Ron Fry led the losers with a nice 187-501 trio.

Mike Sronka, 124 average youngster, blasted a strong 176-468 series for the Us Guys quartet and helped his team win 2 out of 3 games from team No. 1 paced by Ken Newman who tallied 117 pins over his 111 average with a 156-450 total.

John Gurrettaz took high series honors with a 199-564 total as his Air Flo Shirt team took 2 out of 3 decisions from the Misrack boys. Other highs in that duel were posted by Dan Hyman with a hefty 202-547 for Air Flo and Ron Giner with a 162-429 trio for the losers.

In Jr.-Sr. Mixed 4's action Robin Golobic topped both boys and girls on team No. 6 with her 146-355 effort. Judy Hnilo toppled 147-413 and Ted Beccaria 157-412 for the Swingers but couldn't overcome a 52 pin handicap and dropped 2 out of 3 games to Robin's crew.

Tom Hakins banged a 134-382 for team No. 7 as they swept all 3 games from team No. 5 led by Pat Welling's 182-388 threesome.

Dennis Neubert was high roller last week for this loop with a 179-476, followed by Paul Porter with 166-464 for team No. 1 as they scored a clean sweep over team No. 8. Milt Wagner led the losers with a 152-388 tally.

The Serra Bombers scored a 2-1 victory over team No. 2. Mike Fonser scored high for the Bombers with 129-354 while Carolyn Fields topped team No. 2 with a 142-383 series.

The Minor Midget bantams bowl only 2 games but operate on a 3 point system with a win for total pins. Following are some scores for the little kids:

Mimi Geddling, bowling for the Spare Makers, tallied 391 as her team won 2 of 3 points from the Gutter Dusters whise high man proved to be Dennis Coleman with a 255 duo.

Team No. 7 won 2 out of 3 games from Team No. 3 on Harvy Garbedian's 176 shooting while Bill Stura tollied 193 for the losers.

Daly City Man To Compete at Laguna Seca

Larry Albedi of 424 Highgate drive, Daly City, will be one of some 225 drivers to compete this weekend at the famed Laguna Seca race circuit near Monterey.

Albedi will race his BMC formula junior in invitational races Friday and Saturday (June 7-8). He will also serve as assistant steward during the three-day race meet.

Lap records over the tight, nine-turn Laguna Seca course may well fall Sunday, as a field of America's fastest sports cars and drivers compete in the two U. S. Road Racing Championship events.

Latest entries in the 150-mile manufacturer's trophy race for big grand touring machines include a Sebring Jaguar driven by international racing star Pedro Rodriguez of Mexico City and Corvette Stingrays piloted by East Bay residents Paul Reinhart and Bill Sherwood and Gary Pickens of Los Angeles.

The $5000 purse, 150-mile driver's championship for modified cars will again see Rodriguez in action, this time in a Corvette-powered BMC Genie. Other leading entries are Bill Sturgis of Gardnerville, Nev., in a Cooper-Monaco; Doug Thiem of Milwaukee, Wis., in a Dino Ferrari; Ken Miles of Hollywood in a Dolphin-Porsche; Ed Cantrell of Zephyr Hills, Fla., in a GTO Ferrari, and Dave Ridenour of San Francisco in an Olds-Genie.

Leather made by the Egyptians as early as 3000 B. C. is still in excellent condition.

Swan Song for 15 Batters by P.A.L. Giants

George Harrison Realty felt the might of Don Shotts, the PAL giant killer, Shotts retired 15 Harrison batters in a 4-0 shutout. Manis collected a double and a triple in two-for-three at the plate. Lieske and Pinelli hit double in the scoring, and Lemke's line drive scored the final RBI. Tompkins gave up only one walk for the losers but gave up ten solid hits. Shotts gave up only three hits in the 4-0 shutout.

Top dog Holy Angels Lions showed their hitting power against the Misracks. Nissel came away with a perfect day, three for three. Two of his hits were home runs, accounting for eight RBIs. Lucci, Mingram and Horton hit two-for-three, while Scott, Matgen and Vasile all collected one each. The Misracks collected only two hits off Poole. The Lions kept their top spot in the league with the 13-7 win.

OLPH proved too much for Harrison this week. They went out in front with a two-run lead with hits by McGhire, Neary, Schwertzer and Guglielmoni. Timmy Denning sacrificed in two runs on a perfect bunt, the second proving to be the winning run, BYA scored two runs in the fifth on a single by Kinderman, a walk to Holmes and a double by Lackey driving in both runs. OLPH iced the game in the sixth with hits by Barry Clark, Rich Saiz, Tom Denning and Him McGuire.

17th District CCPT Meeting Is June 6

The organizational meeting for the first Council within 17th District, CCPT, will be held at the Administration Building of the Jefferson Elementary School District, Thursday, June 6, at 1 p.m. All interested persons are invited to attend.

RBIs each. Tagnotti collected a double and a triple for the Colts. Timmy Dillon tied up the Birds with three great innings of relief pitching for the Colts and Ciardella robbed Card batters of base hits with defensive play.

Smoky Morton collected another win on Saturday over the luckless Colts. The Braves scored fast and they were lucky they did, as the Colts held them scoreless after the second inning. Paul Romer hit two for three for the Braves and Dana Marcus smashed a double. Kevin O'Shea kept the score down with a great running catch in leftfield that otherwise would have meant two runs. Final, Braves 3, Colts 1.

Gary Wilson put down BYA Bender Roofing for the PAL Cardinals this week. Wilson whiffed 11 Bender batters and gave up five hits. The Birds collected only seven hits but fancy base running helped them into eight runs. Gordy Contreras hit three for four for the Birds, while J. Rebarber picked up two RBIs. Mike Brown hit three of Bender's five hits, driving in one run and scoring the other.

TOP SPOTS FOR DINING AND DANCING

The Friar Room Restaurant
— For Culinary Artistry —

The Friar Room of Serra Bowl, Northern California's most beautiful restaurant, situated at Junipero Serra boulevard and D street in Daly City.

Since the opening of the Friar Room and bar in June of 1961, the word has gotten around regarding the culinary artistry that has been perfected in the Friar Room kitchen. The beautiful dining room, done in dark mahogany with deep red carpeting and stained glass windows, adds to the dinner pleasure.

The Friar Room bar is the most enjoyable that can be found anywhere, with beautiful furnishings and a gigantic fireplace. In the evening, Gene Ortet performs at the pianobar with his own inimitable stylings from Tuesday to Saturday. The cocktail lounge is open seven days a week from 10 a. m. to 2 p. m.

Lunch is served at the Friar Room from 11:30 to 2:30 and dinner from 5 to 10 p. m. On Saturdays, dinner is served from 5 to 11 p. m., and on Sunday from 5 'til 9 p. m. The restaurant is closed Mondays.

From A Feminine Viewpoint...

By Mona Baker

One of the busiest women in the local area is Daly City Hostess Ramona Birke, who welcomes new families to the city. She drops by and chats with about sixty new families each month, telling them about the many local activities, organizations and clubs.

Other cities throughout the country also have a city hostess. Just concluded in San Francisco was the annual City Hostess Convention with delegates from seven western states.

Ramona attended and participated in the round table discussions. She reported that there was a great deal of emphasis on ways to sell their cities. For instance, Salinas had a display of artichokes, Sunnyvale of canned goods.

One of the functions of the hostess is the Newcomers Club. This group has been very active in Daly City with meetings well attended by new "localities."

If you are a newcomer in the area and are interested in participating in the activities, plan to attend the next luncheon, June 11, with special guest speakers Fire Chief Elmer Kennedy and long-time Daly City resident Arthur Bodien, who will talk about early Daly City. Telephone PL 5-7178 or PL 6-6169 for details about the luncheon or to make reservations.

One of the "pioneer residents" of Broadmoor is our community leader this week who has lived sixteen years in the local area. She recalls that they lived in the last block surrounded by artichokes and there was only a "dirt road in front of their home."

During those past years she has given many years of service to her community. She was charter vice president of Garden Village PTA and served eight years on PTA executive boards. She was Girl Scout leader for four years and for four years their organization chairman. She was secretary to the police commissioner and has headed many fund drives in Broadmoor, including Red Cross and United Crusade. Very active in St. Martin's Episcopal Church, she was chairman of St. Elizabeth Guild for three years, treasurer of the women's auxiliary and chairman of numerous social affairs. She is now serving as church secretary one day a week and also is a volunteer at Lagunda Honda home. She also has had several foster children in her home.

We salute Jeanne Brugge, our community leader of the week! The Brugge family, husband Ken, daughter Janet and foster son Stanley, live at 515 87th street. An older daughter, Colleen, is married.

FASHION HINT: Important high fashion note for the season is scarfs—tie them, drape them, knot them, but above all wear them if you want to be in swing with fashion. What dash they give to last year's clothes. Tuck a striped or polka dot scarf in the belt of a sheathe, drape a long chiffon scarf over spaghetti shoulder dress and wear as a stole, toss a smoke ring scarf over a round neckline dress, tie a scarf at the throat and drape over the shoulder of a suit. Better still experiment with your own designs and you'll be amazed at the color and contrast that scarfs add to any costume.

NEWS NOTES: A truly gala event will be the coming fall fashion show planned by the Mothers Club of Our Lady of Perpetual Help because men's fashions as well as milady's will be modeled by members of the parish. Adding interest too, among the valuable gifts for some lucky person will be a beautiful mink stole.

It was a happy "welcome home" celebration for Jon Alexander at the airport last week when a large group of friends greeted the young man who had just completed his basic training in the Navy. He will be at home for two week's vacation.

"Roses to You" will be the theme for the social hour following the impressive candlelite installation ceremony of new officers of the Holy Angels Women's Guild this Wednesday evening.

On the social schedule of the Daly City-Colma Lioness Club is a luncheon this Saturday at the Allied Arts Guild in Menlo Park.

Scheduled for this Saturday too is the annual family picnic of St. Martin's Episcopal Church to be held at the Bishop's Ranch at Healdsburg.

New Visitacion Moms Installed

The Mothers' Club of the Church of the Visitacion held its installation of officers for the ensuing year recently under the supervision of Mrs. Louis Rusca who was chairlady for the evening.

The Reverend Father Lawrence Krause was the installing officer.

The following ladies were installed during the impressive candle lighting ceremony: president, Mrs. Albert Cinti; vice president, Mrs. Charles Grisenti; recording secretary, Mrs. John Perrone; treasurer, Mrs. Dominik La Torre; corresponding secretary, Mrs. George Pieretti and financial secretary, Mrs. Vincent Cotruvo.

The coming year should prove an important one for the Visitacion Parish, as the long awaited school and convent will be completed by fall.

The newly installed officers will be planning money raising projects to obtain funds for the new school and convent as the Mothers' Club continues to play an important part in the betterment of their community and Parish.

TESTIMONIAL dinner recipient Ricco Benedetti and his wife are shown greeting guests at the gala affair, one of Daly City's largest recognitional parties. Even President John Kennedy sent a letter of praise to DC's retiring Police sergeant.

Between Us Gals:

Huge Dinner Pays Tribute To Ricco

By Bunny Gillespie

It was like a "great big Italian sposalizio" Saturday night at the Top Of The Hill in Daly City and Ricco Benedetti was "The Most Happy Fellow."

June 1 had been designated "Sergeant Benedetti Day" by Daly City Mayor Joe Verducci, and whatever events the "Day" produced, we must assume that none could even come close to touching the warm and affectionate tribute paid to this giant of a person as some 315 persons crowded into the House of Parties to enjoy a testimonial dinner with Ricco, his family, his co-workers of the Daly City Police Department and his many, many acquaintances.

Under the skillful arrangement of Dan Casentini, a gentleman noted for not letting deserving people fade without due recognition from the local citizenry, the gala served not only to honor Ricco on his impending retirement from the DCPD, after 35 years of active service, but it also served to bring together a multitude of the Daly City greats and near-greats whose names are almost legend in the building of this community, an event which happens all too seldom in today's busy scheme of things.

Welcoming arriving guests just inside the entrance to the banquet room was the honoree and his lovely wife, who wore a most becoming forget-me-not blue dinner frock with lace bodice and elbow-length sleeves. Her crystal jewelry, white orchids and gloves and tiny pouch bag completed her ensemble.

As they assumed their place at the long front table, backed by a huge banner wishing "Good Luck Ricco" and silver stars emblazoned with the number 60, the couple received the noisy plaudits of the roomful of well-wishers.

Following opening remarks and the leading of the Pledge by DC Councilman Edward J. Dennis, the National Anthem was sung by the attractive and talented Mrs. William Preston.

Thomas L. Bocci, with obvious discomfort due to the rigors of a battle with throat germs, introduced the general chairman and master of ceremonies, Mr. Casentini, and the evening was off to an enthusiastic and merry start.

Cocktail-waitresses wearing police-type stars and policemen wearing waitress-type smiles were in pleasant evidence, while busy, busy seating hostesses and food servers added to the comfort of the guests.

The Honorable Frank Blum, Judge of the Superior Court in the County of San Mateo, was the very witty and well-received speaker of the evening, recalling some of the highlights of Ricco's career with the DCPD.

Congratulatory messages were read by Casentini and acknowledged by a beaming Ricco from personages of the local, county, state and national political theme.

Among them, a letter sent through personal directive from the President of the United States, lauding Ricco's long service to this community.

Also heard from were Congressman J. Arthur Younger; Governor Pat Brown; Judge of the Superior Court in San Mateo County, Louis B. Dematteis, and County Supervisor Chess.

Just prior to the spirited community singing of some of Sergeant Benedetti's favorite selections, Casentini and his committee announced some of the many presentations and gifts that Ricco and his family would be treasuring in the years to come.

Foremost was the gold badge of retirement from the DCPD, the proclamation formalized by the Daly City Council, and the clever enlargement of a photo of Ricco and his motorcycle, (showing, surprisingly enough, the officer with his 1935 body and his 1928 head!)

Merchandise and order certificates for assorted tributes from numerous sources were acknowledged by the ever-smiling Benedettis.

With the concluding courses of a complete and delicious roast beef dinner, Ricco answered the demands of well-wishers and rose to express a few words of heartfelt thanks, concluding with his familiar "God bless you all . . ." His benign smile and his well-chosen words expressed with sincere simplicity this rugged man's tremendous feeling of gratitude to his adopted hometown.

The committee working with Casentini was small in number, considering the size and

Holy Angels To Install Guild Leaders Tonight

The installation of the new officers of the Holy Angels Women's Guild will be held tonight.

The new officers are: Mrs. Anthony Cain, president; Mrs. Alex Meyer, vice-president; Mrs. Pat Griffin, treasurer; Mrs. Michael Amorose, recording secretary; Mrs. Daniel Ciernick, corresponding secretary, and Mrs. Louis De Salvatore, membership chairman.

The nominating committee was headed by Mrs. Eugene Camous. Members were: Mrs. Sean McMullan, Mrs. Nick McEneaney, Mrs. Bernard O'Shea and Mrs. James Pretti.

The outgoing officers who have worked faithfully at their posts during the past successful year include Mrs. Stanley Kettell, president; Mrs. John Moran, vice president; Mrs. Richard Tallerico, treasurer; Mrs. Ralph Stewart, recording secretary; Mrs. John Bordman, corresponding secretary, and Mrs. James Coghlan, membership chairman.

After the meeting refreshments will be served.

C. D. Gals Meet Today

A stimulating program has been planned for the California Women's Civil Defense Council which will be meeting in San Jose, today, at the Hyatt House. (Registration begins at 9:15 a.m.)

CDO Director, Allan K. Jonas, will report on the latest National Civil Defense Developments; there will be a preview of the new CDO color film; a panel on the Medical Self-Help program, and a conducted tour of the San Jose City Emergency Operating Center.

Ed Montgomery, Pulitzer Prize Winner and staff writer for the San Francisco Examiner will be the luncheon speaker and talk on "Unpublished News Facets."

Dollars to Donuts:

Organ Fund Donors Delivery Date Set

The result of a month-long donut order campaign will be lined up in individual paper bags this Sunday morning, June 9, on long tables outside the court-yard entrance to Broadmoor Presbyterian Church.

Alphabetically arranged and appetizing, the baker's dozen donuts have been ordered by church members, friends and neighbors, as an aid to the Margaret Pauline Brown Memorial Organ Fund at the church.

An order of donuts is a dollar donation to the fund, and the donuts will be baked and donated by the George "Pete" Pappas family, proprietors of Jerry's Donut Shop in San Francisco.

Members of the four choirs at Broadmoor Presbyterian have been taking orders, and marking the purchaser's names on printed paper bags. The bags will be taken to the donut shop late this Saturday night, when the Pappases, assisted by members of the adult choir will bake the donuts for delivery to the church the next morning.

Purchasers have been requested to pick up their donuts at the church between 9 a.m. and 1 p.m. Sunday. Additional orders may be made through June 8 by phoning the Gillespies, PL 5-5123, or the Eagletons, PL 5-2324.

Delmar Severy, choir director and organist at the 87th street church said, "The response of church members and their neighbors has been most gratifying, and I'm afraid that Shirley and Pete (Pappas) are in for a hard night's baking to fulfill the orders. Each dozen brings us just one dollar closer to our organ fund goal of $10,000."

Chairman of the Organ Fund is Westlake's Rodman T. Barnes, who reported that over $6,000 had been contributed or pledged to the drive so far, and that the drive for pledges would continue through June 30. After that date additional funds will be raised through individual church group money-raising activities.

Members of the Organ Fund Committee have been visiting organ installations and manufacturers' representatives throughout the bay area to determine the make and type of organ which will best fit the budget and physical layout of the church. Committee members include Charlotte Spruiell, Lillian McLeod, Kay Mattson, Shirley Pappas, Dorothy Spratt, Ken and Bunny Gillespie, Linda Floyd, Kathy Leach, Boris Stephen, Henry Suenderman, the Rev. Herbert Tweedie, and Delmar Severy.

Baccalaureate To Honor JUHS Grads

A baccalaureate mass is being offered in behalf of the graduating class of Jefferson Union High School of Daly City at Our Lady of Perpetual Help Church, 80 Wellington avenue, on Thursday, June 13, at 9 a. m.

Celebrant of the Solemn High Mass will be the Rev. Matthew P. Sullivan, assistant pastor of Our Lady of Perpetual Help Church.

A full breakfast, sponsored by Court St. Mary No. 1155, Catholic Daughters of America, will be served the students and guests at the parish hall following the mass.

The Rev. Terance Laughran, professor at St. Joseph's College in Mountain View, will be the guest speaker.

Invited guests include the Rev. Matthew P. Sullivan, who serves as state chaplain of the Catholic Daughters of America and chaplain of Court St. Mary; Mrs. Fred Wettstein, California state regent of the Catholic Daughters of America; Mrs. Erma Short, C. D. A. state chairman of confraternity and vocations, San Diego; Mrs. Charles Parker, archdiocesan chairman of confraternity, San Jose; Mayor Joseph Verducci of Daly City; Mrs. Maurice Clark, grand regent of Court St. Mary; Mrs. Milan Stanley, president of the OLPH unit of the confraternity of Christian Doctrine School of Religion; Mrs. Olin Craig, Peter LoFrano, Joseph McGrath and Alfred Abrahamson, all teachers of the high school unit of the OLPH CCD School of Religion.

Mrs. Harvey Mumford is chairman of the affair, and Mrs. Warren Stienbach is co-chairman.

L. Carlson No. 94 Queen

Honored Queen-elect Linda Carlson will become the sixty-seventh Honored Queen of Bethel No. 94, International Order of Job's Daughters, on June 14 at a public installation ceremony which will be held at Golden Gate Masonic Temple, 14th avenue and Taraval street, S. F.

The other line officers selected to serve for the fall term of 1963 are: Donna Lynch, senior princess; Linda Anderson, junior princess; Linda Wren, guide; and Mary Lynn Markel, marshal.

The following are appointed officers to be installed also:

Chaplain, Janis Grimm; treasurer, Barbara Penny; librarian, Alwina Ross; recorder, Cheryl Free; musician, Karen Emmos; senior custodian, Mary Lou Meyer; junior custodian, Scuffy Cala; inner guard, Nancy Carlson; outer guard, Carilyn Hammer; first messenger, Diane Williams; second messenger, Helen Wehnly; third messenger, Louise Robertson; fourth messenger, Carol Williams and fifth messenger, Cheryl Crafton.

Bethel No. 94, International invites friends and members of Behtel No. 94, International Order of Job's Daughters to attend.

Teachers Group Hears R. Resnick

The Retired Teachers Association met yesterday in Stonestown.

The Association hostessed Miss Rose Resnick, executive director of the California League for the Handicapped, who entertained with a group of piano selections, and spoke on "A Breakthrough for Handicapped Children."

Miss Resnick holds a Masters Degree from University of California and San Francisco State College, as well as music diplomas from Fontainbleau Conservatory of Music and Manhattan School of Music in New York.

She received a presidential citation for meritorious service to the handicapped.

Mrs. Clark Heads Court St. Mary

A ritualistic ceremony will be conducted tomorrow evening at Our Lady of Perpetual Help parish hall for the formal installation of officers for the new term of Court St. Mary No. 1155, Catholic Daughters of America.

Succeeding Mrs. Charles Wettstein as grand regent will be Mrs. Maurice Clark of Daly City.

Her fellow officers include Mrs. Arthur Dikas, vice regent, Westlake; Mrs. James O'Reilly, prophetess, San Francisco; Mrs. George Ryan, financial secretary; Mrs. Thomas Baldwin, historian; Mrs. Louise Barnard, treasurer; Mrs. Una Mae Kulik, lecturer, all of Daly City; Mrs. Fred Wettstein, Jr., monitor; Mrs. Attalo Minoletti, sentinel, and Mrs. Curtis Collins, organist, San Francisco.

The board of trustees will include Mrs. Rose Lutz, Mrs. Thomas Glynn, Mrs. James Gallagher, Mrs. William Gonzales and Mrs. Edward Nolan.

Mrs. Esther Bernal of South San Francisco, a member of Court Infant of Prague, will conduct the ceremony as the installing district deputy.

Chairman of the evening wil be Mrs. Carl Rollandi and decor will be done by Mrs. Laurence DeFanti.

On June 21, the business meeting of the Court will include a report on the recent C. D. A. Conference held in Sacramento, and the yearly accomplishments of the various chairmen for the past term.

The Court will then recess for the summer, and the next meeting is scheduled for September 5.

Need A Sitter? Get A Y-Teen!

The junior high Y-Teen girls will hold a baby sitting training meeting this Saturday at 9 a.m. in the Westmoor Park Clubhouse.

Following the training session at 1 p.m. there will be a mother-daughter tea.

The names of the Y-Teen girls who complete the training will be kept on file in the YWCA office. Anyone interested in securing a baby sitter may phone the "YW" office at PL 6-7370 and the "Y" will try to give you the name of a sitter in your neighborhood.

The Y-Teen planning committee for the training event is Marilyn Tingley and Bertie Ellis of Colma Upper School with Cathy Abrahamson of Benjamin Franklin School.

The ethics of baby sitting, safety factors in child care, child development and simple ways to amuse children will be included in the training session. Speakers covering various phases of the program will be Pat Martinez, Suzanne White and Jessie West.

Colored slides on health and safety factors pertaining to the care of children will be shown, accompanied by a commentary. Pamphlets will be available containing safety information and questions every sitter should ask of parents concerning their household arrangements for proper care of their children.

A model will be used for demonstrations on the correct way to pick up an infant, how to burp a baby and change a diaper and other clothing. Practice with the model will allow the girls some practical knowledge about handling a baby.

The Y-Teen clubs are sponsored by the YWCA.

Crittenton Home Circle To Meet

The North Peninsula Circle of the Florence Crittenton Home of San Francisco has scheduled its next meeting for Monday at 10 a.m. in the War Memorial Building in Daly City.

John Mongan, principal of Jefferson High School, will be the guest speaker.

Anyone interested in joining the new Circle is invited to attend.

"MEMOS" FROM YOUR Stylist

By MR. ROBERT

This week let's clear up a couple of misconceptions concerning hair. We may, for example, find ourselves annoyed to the point where we speak of pulling someone's hair "out by the roots." This would be quite a chore for the simple reason that hair does not have roots . . . Contrary to the belief in some quarters that hair growth is a rather consistent half inch per month, the truth is that hair grows in relation to its diameter. Larger diameter hair can grow as much as three times as fast as hair of the smallest diameter and the rate of growth can be expected to fall between four and twelve inches per year with few exceptions.

Which reminds us—the policy at MR. ROBERT'S SALON OF BEAUTY is to provide the finest in hair grooming and care of any type—with no exceptions. Close attention to detail, a world of experience and training and a desire for perfection all work for you at MR. ROBERT'S SALON OF BEAUTY, 198 School Street, Phone WY 2-1717.

THIS WEEK'S HELPFUL HINT: If you use perfume infrequently, try blowing on the stopper before replacing it in the bottle. This makes a better seal and reduces evaporation.

6 Packing Hints For June Brides

June brides lacking experience at packing suitcases may be unfamiliar with such terms as "layer packing" and "heavy things toward the hinge," but now's the time to learn, says a travel expert.

These are among the hints on packing a suitcase developed by Miss Carol Lane, women's travel director for Shell Oil Company.

"They are especially timely now with the month of June just peeking around the corner," Carol says. "And they apply to both bride and groom, and anyone else who is planning a trip."

She shows how to pack a two-week wardrobe with ease into a single 26-inch suitcase. Here are some of the things that make it possible:

1—Layer packing: Clothing should be packed in layers divided by luggage leaves made of pellon, with one complete outfit or type of clothing to each layer. Layers keep the clothes wrinkle-free and permit easy locating of any item needed by lifting out the layers down to the one needed.

2—Heavy items such as shoes, cosmetics, shaving gear, should be packed towards the hinge so they won't slide and wrinkle clothing when suitcase is carried.

3—Pack cosmetics and sundries in small plastic bags in small amounts to avoid weight and clutter of large containers. Tuck other items in the toes of the shoes.

4—Pack shoulders of suits, dresses and blouses towards the hinge of the suitcase. Fold the balance of the jacket up at the waist, fold in the sleeves from the sides, cressing them.

5—Pack trousers and skirts the width of the suitcase, trousers folded about at the knees and skirts folded first with a bit from each side to the back of the skirt, then laid the width of the suitcase.

6—Miscellaneous hints include: scarves and veils allow dress and hat changes without taking up space, clutch bags and tote-bags pack flat and add no weight, a beach towel can serve as a layer on which play clothes are packed.

Mrs. Newton Accepts Gavel For Abraham Lincoln PTA

A sentimental note crept into the installation ceremonies for Abraham Lincoln PTA officers for 1963-64, when Mrs. Michael Kerekes, the first president of the unit, acted as installing officer.

Officers installed were: Mrs. Richard Newton, president; Mrs. Norman Maxwell, vice-president; Dr. Lloyd Andrews, honorary vice-president; Mrs. Warren Hutchins, recording secretary; Mrs. Harold Faulkner, corresponding secretary; Mrs. Stanley Bacon, treasurer; Mrs. Clifford Lipson, financial secretary; Daniel March, auditor, and Michael Pennings, parliamentarian.

Honorary Service Awards were presented by the out-going president, Mrs. Donald Banks, to Mrs. Conte Gressani, Mrs. Michael Kerekes, Mrs. Stanley Bacon, Mrs. Richard Newton, and Mrs. Thomas Lynch.

An exciting musical evening followed the business meeting as Mr. Steele conducted the Jefferson Elementary School Honor Orchestra in several rousing numbers, Mrs. Cooper led the Abraham Lincoln Glee Club in their part of the performance, and Daniel March, fourth grade teacher, led his Tonette group.

Coffee, served by Mrs. Warren Hutchins, outgoing hospitality chairman, followed a most pleasant program.

successfulness of the undertaking. All are to be congratulated for making the night a memorable one in Daly City annals. The group included Babe Uccelli, Dino Agresti, Tony Ricci, Ed Dennis, Tom Bocci and DCPD-ers, John Van Otten, John Coleman and Buz Beecher.

Glimpsed in the crowd of attendees were enough law enforcers from DC and neighboring communities to make one wonder just who was watching the store last Saturday? We noted the golden-voiced Chief Ray Savage of the Broadmoor PD; Chief Al Lagomarsino of Colma PD; Chief John Fabri of SSFPD and the DCPD's Lt. John Walsh, Bobby Crooker, Bob Ingbrigtsen, Chief George Ricomi of the Colma Fire Dept. . . . Constable George Creel of Colma, who was feted with a birthday song from the crowd . . . Martha Dreyling in Count Marco black table-chatting with pretty Carolyn Dennis . . . late comers Ann and "Big Bobby" St. Clair, the Councilman's petite spouse sporting a mink-trimmed evening sweater . . . the Tony Ricci's revealing their 28th wedding anniversary . . . dapper DC treasurer, Joe Lewkowitz . . . pioneer PTA-er Mrs. Rickman . . . the friendly giant, Ben Sharp, with his too-cute-for words pipe . . . and dinner partners Mr. and Mrs. Porte with Mrs. Miller, she in a most attractive powder blue ensemble of her own creation.

Bodien-Kennedy Share Billing At Newcomers

Firechief Elmer Kennedy and Arthur J. Bodien will be the guest speakers at the Daly City Newcomers meeting Tuesday.

Kennedy and Bodien will show slides and movies and narrate some of the outstanding events and changes in our city history.

Lunch will be served at Swanson's Westlake Bowl at 1 p.m., after which the Newcomers will proceed to the social hall of the Westlake Community Baptist Church for the program.

Newcomers to Daly City should find this an excellent opportunity to find out more about their new city. If you've been in Daly City less than a year, you're a newcomer and most welcome. For reservations call PL 5-7178 or PL 6-6169. This will be the last Tuesday luncheon until September. Ramona Birke is director of the Newcomers.

Starlighters Fashion Show

City of Hope Starlighters Auxiliary will have a full course buffet dinner, 7 p.m. at Hamm's Brewery Tuesday, June 11, 1550 Bryant, in the Sky Blue Waters Room. There will be a fur-fashion show courtesy of Kurtzman Furs.

For reservations call Blossom Herwitz, EV 6-1438, or Ruth Mencoff, EV 6-7544.

Auxiliary To Collect Used Books

The San Francisco Rainbow Auxiliary, No. 2065, VFW, has completed the schedule for its year-long community service program.

Each month will feature a different project. June will be "Book Month" and the collection of used bound books and pocket editions started Saturday. Sometime before the end of the month the volumes will be delivered to a VA hospital.

If anyone has any books they wish to donate, they are asked to call Mrs. Svedise at PL 6-1977 and make arrangements to have them picked up. The Auxiliary requests, however, that the books be in good condition.

Another project that the public can participate in is the collection of used postage stamps. Foreign and United States, any denomination. The stamps will also be sent to VA hospitals where veterans sort them and catalogue them. You may mail any amount you have to the group's Community Service Chairman, 107 Clay avenue, South San Francisco.

Brownie Fly-Up This Sunday

The Fly-Up Ceremony for Brownie Troop 716 will be held Sunday at 11:30 a.m. in Junipero Serra Park, San Bruno. Awards will be given and a picnic and games will follow the ceremony. Relatives and friends are invited.

Recently the Troop had its first overnight camping experience at Girl Scout Camp Merced in San Francisco.

Girls who participated were Patty Ayers, Sheila Miller, Janis O'Connel, Dorit Papelbaum, Frances Petru, Terry Price, Anita Symcowich, and Robin Wells.

Mrs. Ruth Stoklosa, the Troop leader, and two mothers, Mrs. Gwenn Ayers and Mrs. Nancy O'Connel, accompanied the girls.

The Brownies arrived in the camp on the eve of Memorial Day, and with the assistance of two senior Girl Scouts from Troop 152 of San Francisco, Kathy Hansell and Barbara Finn, the girls spent a beautiful Memorial Day there. The Senior Scouts showed the younger campers how to make their tents for the night, how to make a campfire and how to cook their own meals. After breakfast and the Flag Ceremony, the girls hiked to the

MOTORISTS GET STUCK

Most people have heard about motorists being stuck, but not quite in the sense they were stuck on a highway near Guignes in France just a few weeks back.

There, a very large truck accidentally dumped some 450 gallons of glue on the highway and dozens of motorists were stuck and were stuck but good!

There will be a special service at Temple B'nai Israel this Friday evening, June 7 at 8:30 p.m. The students of the advanced Hebrew classes, 3rd and 4th level, will participate in the religious Sabbath Service as well as read selections in Hebrew on various Jewish topics.

Sunday School closing exercises for the term now ending will be held Sunday morning, June 9 at 10 a.m. Teachers of the respective grades will give a short resume on what the children have been taught and will pass out report cards. Parents are urged and cordially invited to attend the last day of school.

The annual Sunday School picnic sponsored by the Men's Club has been set for Sunday, June 16, at Flood Park in Menlo Park. Chairman, Leon Benseon, announces that there will be refreshments, games and prizes for the children and fun for the whole family and their friends. More details on this exciting event will be printed in next week's issue.

Sisterhood News

The Sisterhood Board Dinner will take place at the Hungry I on Monday, June 10. Members of the board planning to attend, please make your reservations by calling Mrs. Gary Kroner at PL 5-8926 no later than Sunday, June 2.

The Sisterhood installation was held Monday evening, May 24 at Tottos. The following officers were installed that evening: Mrs. Gary Kroner, president; Mrs. Gary Papelbaum, vice president; Mrs. Leonard Mayer, treasurer; Mrs. Bernard Friedman, recording secretary; Mrs. Raymond Clarfield, corresponding secretary; and Messrs. Julius Michaelis, Morris Krow and Gordon Sennett, trustees.

For information, contact Mrs. Leon Hoffman at PL 6-1373.

Rabbi Rosen Heads Board of Rabbis

Rabbi Sanford E. Rosen of San Mateo has been named president of the Board of Rabbis of Northern California.

He is the founding Rabbi of the 12-year old Peninsula Temple Beth El, and presently serves on the Board of Governors of the Hebrew Union College—Jewish Institute of Religion (with campuses in Cincinnati, New York, Los Angeles and Jerusalem), and is on the Executive Board of that institution's Alumni Association.

He has been active in the Central Conference of American Rabbis and is presently an officer of the Western Association of Reform Rabbis. Among his current civic posts are: member of the Board of Governors of the United Bay Area Crusade, Executive Committee of the Bay Area Welfare Planning Federation, and co-chairman of this year's Jewish Welfare Federation Campaign in the North Peninsula.

Final Twin Services at Broadmoor Church

Sunday, June 9, will mark the Broadmoor Presbyterian Church's final twin morning services until the middle of September.

Following the yearly custom, there will be a single summer Sunday service from 10 until 11 a.m., with Sunday School for all ages running concurrently and infant care provided.

Congregation Judea Annual Picnic June 16

Adobe Creek Lodge in Los Altos will be the setting for the all-day Congregational Picnic for members and friends of Temple Judea, according to Robert Miller, President of Temple Judea Men's Club, who is sponsoring the event.

There will be Free Ice Cream and Free Coffee; Games, prizes, and balloons for the children.

Admission, according to Bob Miller, will be $1.00 for each adult and for children 13 years of age and over; 75 cents for children from 6 years through 12 years of age; no charge for children under 6.

The Picnic will start at 10 A.M. and last all day. Those attending are advised that there are barbecue pits available. Activities offered are swimming in three swimming pools and two Kiddie Pools; Baseball, Badminton, volleyball and basket ball.

Rev. Hodges On Extended Europe Tour

The Rev. Mr. Lynn E. Hodges, Executive Secretary of the American Baptist Union of the San Francisco Bay Cities, leaves June 1, for an extended tour of Europe and Africa. The Rev. Mr. Hodges will be accompanied by his wife.

The Rev. and Mrs. Hodges will be traveling with a group of national executive secretaries of the American Baptist Convention on a study tour of the major European countries and the Republic of Congo.

The purpose of the tour is to examine the relative effectiveness of the ministry of the churches of Europe during the past half century. Particularly since the second World War, the churches of Europe have operated in an increasingly secularized culture. In some cases, some churches have adapted too much to the changing circumstances or have been caught up in unwise cultural trends. Others have been unable to adapt. In still other cases, certain churches and church movements have found effective means of witnessing and ministering to people who are caught in the increasing secularization.

"It is hoped that the tour members will gain insight that will help the American churches to anticipate the secular swing that is already developing in the United States," commented Mr. Hodges.

Rev. Nathan H. Bond, pastor of the Valley Baptist Church of Walnut Creek, and chairman of the Communications committee of the American Baptist Union will also accompany the group. Under assignment from the Radio and Television Department of the American Baptist Convention, Mr. Bond will carry recording and photographic equipment to document the study tour for radio and television.

Temple Judea Men's Club Plan Election

Temple Judea Men's Club will hold its annual election of officers at a meeting this coming Thursday evening, June 6th, President Robert Miller announced.

After the election, there will be refreshments served and a showing of a football film, "49'er Highlights of 1962."

All members of Temple Judea and friends are invited to attend.

Catholic Daughters Annual Whist Game

On Monday, June 10, Court Salesian No. 1005, Catholic Daughters of America, will hold their annual whist game.

The game will be at the Spreckles Russell Dairy, 1717 Mission street, San Francisco. Luncheon will be served at 12:30 with the game following. Tickets may be purchased at the door.

CHURCH NEWS

Methodists Hold Convo In Stockton

Methodist ministers and laymen of northern California and Nevada will hold their 115th annual conference June 11-16 at the University of the Pacific in Stockton.

Repersenting 376 congregations with nearly 130,000 members the conference adopts the program, policy and budget sustained cooperatively by the churches, over and above their local activities.

Among program proposals the Stockton conference is expected to approve is a comprehensive plan of adult education in churchmanship. It calls for 66 weekend "Christian growth" conferences for laymen, in all the districts of the church.

Reorganization of the professional staff which directs or counsels all conference programs will be considered.

Resolutions will be offered by the commission on social concerns to publish the position of the church on race relations, peace and world order, civil liberties, and economic issues.

A conference budget of $1,788,000 for 1963-64 will be offered, up 7 per cent from the year ended May 31. Major items include $400,000 for starting and aiding new churches, $228,000 for the global projects of Methodist World Service, and $172,000 to Christian educational programs including support for University of the Pacific, Pacific School of Religion at Berkeley, and student centers near the campuses of 11 colleges and universities.

The conference will have the special job of electing its delegates to the quadrennial general conference of Methodism at Pittsburgh, Pa., in April, 1964, and to the 12-state western jurisdiction conference at Portland in July, 1964. The general conference is the final policy making body of the church. The jurisdictional conference elect its bishops.

Voting members and visitors, the conference will bring more than 1000 to Stockton. Bishop Donald H. Tippett of San Francisco will preside at the business sessions.

Reception To Be Held At Westlake Lutheran

"Nice People or New People" will be the sermon theme at Westlake Lutheran Church, Sunday, by Pastor Kenneth Hansen. Seven new families will be received into the church at the worship service.

Following the service, a Stand-Up Luncheon for the congregation will be given by the youth of the church. The young people will present a panel discussion on "Troubled Teens and Perplexed Parents."

Letters to The Editor

Dear Editor:

I would like to take this opportunity to express our appreciation for your assistance in publicizing our activities in your newspaper. With your assistance, we have had a most successful and pleasant year.

It has been a personal pleasure for me, and may I thank you for the kindness and many courtesies extended to me during my term as chairman of this committee.

May I wish for you and your entire staff every happiness and continued success in all your future undertakings.

yours, forever grateful,
LOIS SCHWEITZER,
Publicity Chairman, Our Lady of Perpetual Help Mother's Club, Daly City.

OLPH Mothers Meet June 11

The regular monthly meeting of Our Lady of Perpetual Help Mother's Club will be held on Tuesday evening, June 11, in the school auditorium at 8 p.m.

There will be a short business meeting, after which the newly appointed officers will be installed for the coming term. The officers for the new term are: president, Mrs. Gus Morgan; vice president, Mrs. Barbara Parodi; recording secretary, Mrs. Dorothy Bergin; corresponding secretary, Mrs. Mary McDougal; financial secretary, Mrs. Catherine Wertenberg; treasurer, Mrs. Alice Chelone; and auditor, Mrs. Georgina Denning. Installing officers for the evening will be Mrs. Lorranie Mignault and Mrs. Alice Gonzales.

This will be the final meeting until the fall when school resumes and all members are urged to attend.

Hostesses for the evening's affair will be the mothers of the first grade students.

Linda Finkelstein Bas Mitzvah Planned

Miss Linda Finkelstein, daughter of Mr. and Mrs. Jack Finkelstein of San Francisco, will celebrate her Bas Mitzvah at Temple Judea Sabbath Evening Services, this coming Friday evening, June 7th. Services will be held at 8:30 P.M. at Temple Judea, 95 South Mayfair Avenue, Daly City (Westlake).

Rabbi Iser Freund and Cantor Harold Wachter will officiate.

Mr. and Mrs. Jack Finkelstein will host the Oneg Shabbat — following the Service.

Pre-Registration at Judea Religion School

Parents whose children are not presently enrolled in Temple Judea Religious School are urged to register them now for fall classes, commencing in September. Children from age 3 years and 9 months and up through Confirmation age are eligible.

Parents are requested to contact Temple Judea (Plaza 5-6362) at 95 South Mayfair Avenue, Daly City, California — any weekday from 9:00 A.M. to 5:00 P.M.

Westside Baptist Plans Business Meet

The regular quarterly business meeting of the Westside Baptist Church will be held on Wednesday evening, June 5 at 6:30 p.m. The meeting will be held at the Southwood School Auditorium, and will begin with a fellowship pot-luck dinner.

The Farmers Show the Way

It may well be that historians will recognize May 21, 1963, as one of the most significant days in our history.

For this is the day when the nation's wheat farmers rejected by a rather substantial vote the administration plan for a wheat control program. This action may well have a far-reaching and material effect on the future direction of our national economy.

From all corners of the country, we are hearing reports that this action is being heralded as the beginning of a new kind of thinking—the beginning of a mass rejection of government controls, and a return to a free society, willing to accept the uncertainties of a free market in return for greater freedom of choice and action by the individual.

For a great many years, people have become increasingly anxious to accept governmental money, and in so doing, to pay the price of greater control — be it in the field of agriculture, highways, schools or welfare.

In California, our legislature has recently adopted a new and expanded welfare program, motivated by the desire to "capture" federal money.

If it is true that this bold action by our nation's wheat farmers will set the stage for a gradual reversal of this trend, then the people of this nation owe them, and the Farm Bureau Federation, which took the lead in the fight against the administration's program, a hearty vote of thanks.

The stand which these farmers have taken is not without risk to themselves, although we cannot share Agriculture Secretary Orville Freeman's dire predictions of "chaos." They have been bold and forthright in voting against the short-term benefits of stricter controls and higher subsidies for the longer term benefits of a free market.

All Americans — rural and urban alike — might well make the wheat farmers stand their own for less goevrnment in all our affairs.

Ears to Read With

In a revealing and moving ceremony at the White House on May 28, President Kennedy presented $500 awards to each of four sightless college students for "outstanding scholastic achievement."

This occasion revealed, for one thing, that these blind young people — of whom there are about 1,100 now in college and 1,000 more in senior high school preparing for higher education —are really tougher, smarter, less dependent and spiritually more alive than many of those with normal sight. They don't want to be coddled.

In marking the 12th anniversary of Recording for the Blind, Inc., sponsor of the awards, the White House formality also revealed a too-little-known organization that has made it possible for these courageous young people to tackle and conquer the most difficult courses.

Of the four honorees of 1963, one, Patrick Peppe, graduates from Harvard with a B.A. degree and a B-plus average. Another, Henry Fidler, is graduating B.A. in the top five per cent of his class at Bucknell University. The third, Charles Edward Vaughn, elected to Phi Beta Kappa as an undergraduate, wins his Bachelor of Divinity degree from the Union Theological Seminary. The fourth, Jean Holland Van Ormer, is vice president of Pi Gamma Mu, honor society in social sciences and graduates from Dickinson College with four As and two Bs.

Such scholastic performance is possible for students in the dark because, thanks to Recording for the Blind, they can "read with their ears." This non-pprofit organization and its 2,000 volunteer readers provide free recorded text books to about 2,500 students. Its library now lists about 5,500 titles, with a total of more than 35,000 copies, covering every field of study and seven languages, including Russian. If a blind student needs a book not yet recorded, he has only to ask for it — free.

And this incident should reveal to employers that those committed to life-long darkness who can accept the challenge of life with eagerness and find the courage to attain full stature in personal, professional and social life, bring to their jobs an inner light that shines upon all that they do.

THE AMERICAN WAY

Fed up with "No Win"

The View From ... Behind the Badge

Written and Edited by Daly City Police Department

This is the last of the series of questions and answers for prospective witnesses.

Q. "What should I do if there is an objection?"

A. If the objection is made while you are speaking, immediately stop speaking. If it is made before you have begun to speak, do not start to speak again until the judge has ruled upon the objection, and then only if the objection has been overruled.

Q. "What if I don't understand the question?"

A. First, take all the time you need before you begin to speak, in order to satisfy yourself that you know reasonably well what it is that the attorney is asking you to tell the court about. Then, if there is any uncertainty in your mind, address the judge and ask that the question be clarified. For example, you might say, "I'm sorry, Your Honor, but I do not understand the question."

Q. "What if I am asked whether I have discussed the case with the police or the district attorney before the trial?"

A. If you are asked such a question, and you have in fact discussed your testimony with the police or district attorney in advance of the trial, by all means, say so. Many witnesses appear to feel that there is something wrong in this common practice. This is a completely mistaken notion. The purpose of such preliminary discussion is not to "put words in your mouth," but rather to enable the prosecution to properly evaluate the case and to form the proper questions. There is an old axiom among lawyers: "Never ask a question in court unless you know what the answer is going to be."

Q. "Will I make a good witness?"

A. If you try to remember and apply the answers to the foregoing questions, chances are that you will be a "good witness," and that the interests of justice will be served. While a few persons seem to be born with the qualities which make good witnesses, most of us have to work at it. One who sincerely wishes to see justice done will want to be a good witness. Under our system, before the guilty can be punished or helped, and before the community can be protected there must be a conviction. There can be no conviction unless a judge or jury is convinced of guilt. Many a crime has gone unpunished, and many a responsible person set free, not because the responsible person was innocent, but, rather, because the witnesses were not convincing enough in their presentation of the events they observed.

The Police Department extends thanks to Deputy District Attorney Jim Browning for this able assist.

Something for Everyone

By Samuel Chandler

Dr. Max Rafferty's wrath has fallen upon "The Oictionary of American Slang."

He has placed this standard reference book on a list with novels and comic books that speak of things that are offenseive to most of us.

All of the other books on his list have been controversial since their appearance. But "The Dictionary of American Slang" has been widely accepted as a standard in its field.

Like any other dictionary, it is a list of words and definitions. Anyone who goes to it to find sex and smut is bound to be disappointed.

Rather, he will find it to be a scholarly work by trained linguists. The definitions, he will see, are in the King's English; the etymologies by objective lexicographers, not vulgar men.

Since it was planned to be a key to American sub-language, the inclusion of gutter and derogatory words was necessary. Most of these words, the editors show, have lost their original meanings and are taboo simply because they are associated with things that are not talked about outside of the gutter where taste and refinement are ignored. Persons shocked by the presence of such words will find relief by reading the preface.

Slang, being part of our society, cannot be ignored, nor should we be afraid of it.

Most of it evolves quite naturally from specific situations and its use should be limited to those occasions.

"The Dictionary of American Slang" defines these situations in the discussion of each word. For this reason alone, teachers, librarians, and parents have found this title a valuable reference tool.

Surely it should be included in every library. We, who work with books and ideas, do not object if its use is controlled by special conditions, but many of us do object to its removal from the high school libraries as Dr. Rafferty suggests. Such a suggestion is absurd.

STATE TREES

The world's greenest tree, the palo verde, is the official state tree of Arizona.

"Advertising has been producing for business men for many years and nothing has happened recently to change this business principle." —James Williams, Jr., Wytheville (Va.) Southwest Virginia Enterprise.

"The American's problem is how to support his government in the style to which it wishes to become accustomed." — William A. Muir, Candor (N. Y.) Courier.

California Leads Nation in Shelter Space

Figures just released by the federal government on the status of the national fallout shelter program indicate that California now ranks first among all the states in the number of spaces stocked with food, medical and other survival supplies.

Allan K. Jonas, director of the California Disaster Office, said the state's first-place position was achieved "because of the hard work of California's local Civil Defense directors."

Jonas praised their dedication, and said he felt that their continued efforts would push California even further ahead of the other states.

Throughout the state more than 700 buildings or other fallout-protected facilities have been stocked with supplies enough to take care of the needs of well over half a million people for two weeks.

Approximately 6,000 buildings, mines, caves, and tunnels in Calif. have been deemed suitable to protect people from radioactive fallout in the event of nuclear attack. Of these about 2,600 have now been licensed, permitting their use as shelters. The combined capacity of all the fall-out protected structures and special facilities in the state is about 7½ million people.

"This means," Jonas said, "that there is still a long road to travel before all these facilities are licensed, marked with yellow-and-black signs, and stocked with food, water, medical and other supplies." He said the progress made so far "will encourage all of us to go the rest of the distance as fast as we can."

Jonas said this is the first step in a national program to develop 235 million shelter spaces — enough for peak daytime and nighttime populations —in the next five years.

CSAA Opposes Extra Tax on Motor Vehicles

It is unfair to impose a special tax on motorists to pay for proposed rapid transit systems without giving motor car owners a chance to approve or disapprove them, according to the California State Automobile Association.

The statement was issued by the organization's Board of Directors in announcing its opposition to the present wording of a State Assembly amendment tacked onto Senate Bill 344.

The Bill as passed by the Senate calls for a one cent per gallon increase in state gasoline taxes to provide more funds for cities and counties to meet critical local street and county road deficiencies. An amendment added by the Assembly's Municipal and County Government Committee would authorize the board of supervisors of any county to impose a 25 per cent increase in vehicle license fees upon vehicles registered in that county for the purpose of subsidizing local rapid transit.

This new provision makes the Bill unacceptable, the CSAA contends, unless there is a further amendment which will provide that any such proposal must first be submitted to the voters of the county for approval or disapproval.

The motorists' organization emphasized that it had no quarrel with the advocates of the various rapid transit systems now being proposed in the metropolitan areas of California, but it believes it is unfair to saddle a substantial part of the cost of these upon motor car owners without giving them an opportunity to participate in that decision.

Pacifica Police Officers Cited By Magazine

Two Pacifica police officers have been cited by a national magazine for their work in a murder case. The editors of True Detective Magazine have presented the publication's Distinguished Service Award to Police Chief Neil Tremaine and Inspector Al Tebaldi.

Chief Tremaine and Inspector Tebaldi are cited for their work which led to the swift solution of the slaying of Mrs. Lillian Wales, whose body was recovered from the surf below Mori Point on March 11, 1963.

A detailed account of the award-winning action, titled "Lillian Wales' 200-foot Death Plunge," appears in the July issue of True Detective, which has just reached local newsstands.

The magazine award cites Chief Tremaine and Inspector Tebaldi "in national recognition of their achievements in the highest traditions of law enforcement."

Wins Third Place in Chinese Speech Contest

Helping East meet West in an unique fashion, Westmoor High School sophomore Linda Wallace placed third in the Chinese speech contest at San Francisco State College on Saturday, May 25.

Sponsored by the Carnegie Chinese Project, the speech contest was open to first-year students of Mandarin Chinese. Twenty-two contestants delivered five-minute speeches in Chinese without the aid of notes. Those with some Chinese language background were graded in a separate category. Judges included professors of languages from the University of California at Berkeley, San Francisco State, South Bay State and Stanford.

Speaking on such topics as "My Friend" and "My School," were students from junior and senior high schools in Palo Alto, Stockton, San Francisco and Daly City.

First prize of a $50 scholarship check, books on China, and citation was awarded to Steve Ruppenthal of Cubberley High School for his humorous account of an outing with his girl friend.

Two second-place winners accepted $30 checks, books and citations; three students in third place each received $20, books and citations. Three honorable mentions were also awarded.

Also representing Westmoor High School in the competition were Denise Jamin, Elaine Pistoresi, and Sherry Rosen. They were accompanied by their instructor, Timothy Yang.

Mary Jane Putz to Travel to Italy

WHS junior Mary Jane Putz will travel to Italy this summer.

Arriving in New York by chartered plane on June 26, Mary Jane and other Bay Area students in the AFS "Americans Abroad" program will travel on board the "Seven Seas" to Rotterdam for the second leg of the journey.

Although much information is still on its way, Mary Jane has already received photographs of her Italian family and a letter describing her summer home. Ancona is a relatively small coastal town, with a harbor and industries. In the summer it caters to many tourists.

Dr. and Mrs. Guiseppe Doneto, her foster parents, live on a hill above the town and have a view of the sea and faraway hills. Dr. Doneto is director of a government institution to help incapacitated workers; he and Mrs. Di Doneto, a housewife, have three daughters. Marisa, the eldest, attends the university and has an artistic temperament. Gloria is in her second year at classical high school. She is a good student who is particularly fond of sports, especially track and swimming. Grazia, in her second year of scientific high school, is also a good student and likes to read. Marisa and Gloria both can speak fair English.

Already immersed in preparation for her trip, Mary Jane is teaching herself Italian. She is reading recommended books on foreign relations and about America, and she plans to take along an almanac to have facts at her fingertips. She recently attended a conference with other AFS finalists at Cubberly High School, where a Peace Corps representative discussed the importance of answering questions about the U. S. frankly and honestly. Frequent seminars on board the ship will complete the training for her AFS summer abroad.

Troop 84 Holds Court of Honor

A highlight of Boy Scout Troop 84 activity program will come to a climax when a Court of Honor will be held for the parents and friends of Scouting at the Broadmoor Presbyterian Church on the evening of June 6 at 7:30 o'clock.

Many awards, including merit badges, will be presented by Scoutmaster Frank Garretson.

70 Win Honors at SSF High

More than 70 students received awards and scholarships at the honors assembly presented to the student body on Friday, May 24.

In total $7,300 - 10,000 was awarded in scholarships to seniors.

Bill Gorham was announced as the school's first National Merit Scholarship winner. Edison Louie, David Riley, Diane Harkins, and Mike Lowe received California State Scholarships. Edison also received a scholarship from the California Alumni Scholarship Fund. Mike also received an Elks Club scholarship.

Bruce Grantham received a Savings and Loan award. Wana Dowell received an S & H Stamp Company scholarship, and Pauline Hamel received a Clara Barton scholarship, and also a March of Dimes scholarship. Not announced was the fact that Carl Durham also won a scholarship.

Roger Magill received a Quill and Scroll scholarship.. Only two were given in the whole United States.

During the honors assembly many other honors were given. Bank of America Awards were presented to Mike Lowe, Bill Gorham, Sandra Rudman, Edison Louie, Bob Bridges, Bruce Grantham, Pauline Ramel, Juanita Candelaria, and Gerald Crans.

The top ten seniors were announced (alphabetically): Kerry Fear, William Gorham, Bruce Grantam, Pauline Hamel, Edison Louie, Michael Lowe, Sue Maas, David Riley, Sandra Rudman, and Don Thomassen.

The chemistry student of the year was Betty Schlaepfer who received a chemistry handbook as her award. The Daughters of the American Revolution Award for "service . . . leadership . . . patriotism" went to Pauline Hamel.

The foreign exchange students for the coming year are Betty Schlaepfer and Terry Burns. The Boys' State representative will be Jerry Tognetti and Kathy Malony will be Girls' State representative.

Also at the assembly journalism awards, NOMA awards, and blanket awards were presented.

Diane Zappa was acknowledged as G.R.A.'s outstanding member.

George Sallaberry, Mike Sinclair, and Betty Schlaepfer were sworn in as president, vice president, and secretary of the student body, respectively.

The assembly ended with a fire drill.

W'moor Juniors Receive Trophy

In order to promote school spirit through an increase of class spirit, the Westmoor High Executive Board initiated the perpetual trophy this year.

Showing the outstanding spirit for the school in activities such as a clean-up drive which sparked school spirit, the junior class was awarded the trophy at the recent Awards Assembly.

President of the class of '64, Robert Hansen, came forward to take the huge trophy, and amid cheers could only say, "boy, this is really something!" The award will be kept in the schools trophy case.

TRIUMPHANT JUNIORS — who received the trophy significant of class spirit at Westmoor are, from the left: Kevin Burke, Ed Raymond, Linda Loftus, Bob Hansen, and Larry Siegel, the newly elected student body president.

Outstanding Boy, Girl Named At Westmoor

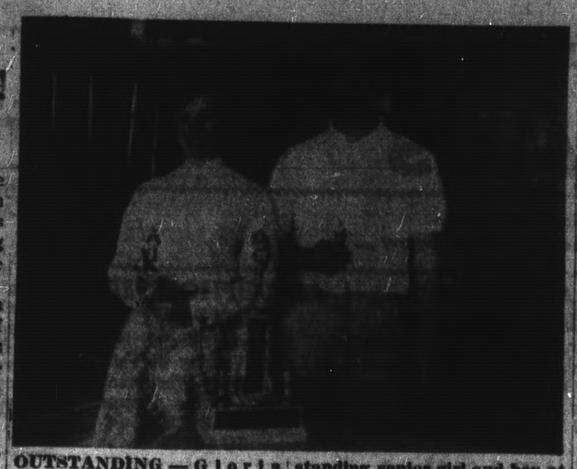
The students sitting on the floor of Westmoor's gym were waiting for the deans to announce the outstanding senior boy and girl of the year.

Suddenly a shriek was heard from the left side of gym as Miss Margaret Riggs announced that Gloria Moore was one of the winners. With tears glistening in her eyes, but a smile on her face, Gloria walked up to accept her trophy.

As Mr. Clayton Kollmann read off the name of the boy winner, Tony Thomas, a great applause was heard through the gym. Although not as emotional as Gloria, Tony went up with a big smile.

Gloria earned this trophy because of her outstanding academic and leadership qualities. She has been a member of C. S. F. since her freshman year and has been in at least two enriched classes. This year she was elected as vice president of her class. Success was not limited to her senior year as Gloria has served as Girls' State representative and Student Body Treasurer in her junior year. In addition to working part time and serving on the H. Liebes Teen Board, Gloria has been a varsity cheerleader.

Tony Thomas has also been a leader in his class both in curricular and extra-curricular affairs, maintaining a B+ average. Tony was played on the varsity football team, and this year he was chosen Boys' Block W president. As an additional honor the San Mateo County Football Writers and Coaches selected Tony as All NPL League and All County player for his outstanding job on offense and defense.



OUTSTANDING — Gloria Moore and Tony Thomas, outstanding senior girl and boy at Westmoor High School.

Outstanding English Students Are Chosen

Seventeen outstanding English and Journalism students at South San Francisco High School were recently chosen for the 1963-64 staff of the prizewinning school newspaper, The Warrior.

Next year's group includes: John Canabou, Editor-in-chief; Michael Sinclair, Managing editor; Nancy Marcoux, copy editor; Jerry Dong, sports editor; Doreen Watt, feature editor; Rene Toscano and Greg Tourtlotte, advertising editors; Laurie Verhagen, circulation manager; Marilyn Spear, business manager; Spencer Rundberg, photographer; and Mary Griffin, Jayne Capotosto, Kay Thiem, and Elaine Nicolaou, press club editors. Reporters include: Victor Feudale, Betty White, and Larry Cervelli.

Terra Nova Graduate Research Published

Kim Post, a senior at Terra Nova High School last year, and his science teacher, Robert Delzell, have had the results of a joint research project published in the May issue of **The Science Teacher.**

The research was an outgrowth of the Senior Research Program at Terra Nova which Kim was enrolled in last year. The subject of the research was the widely used mathematical concept of significant figures as it is applied to scientific measurement. The results of the study cast serious doubt on the significance of "significant figures" as a useful concept in science.

Post graduated from Terra Nova last year with high honors. He is currently enrolled as a full time student at the University of California. He is the son of Mr. and Mrs. L. G. Post, 1015 Anza Drive, Pacifica.

Terra Nova News

May 31 was a big day for the Seniors at Terra Nova. The Senior Ball, "Gold Sophistication" by name and theme, was held that evening in the Ralston Room of the Sheraton Palace in San Francisco. The festivities lasted from 9 p.m. until 12:30 midnight.

It was a night of romance and dancing to the music of the Dick Crest Band, and for the people who attended the Ball, it was truly a night to remember.

June 3 was another big day for Seniors. At 8:30 a.m., they packed into four buses to be carried off for a day of fun in the sun at the Turtle Rock Ranch. The occasion was the Senior Picnic and it consisted of swimming, dancing sports, lunch, dinner and a general all-around ball that lasted until after sundown.

Local Accident Injures Two

Two persons were injured in a two-car collision at Sullivan avenue and 89th street in Daly City about 7::30 p. m. Sunday.
Kathleen Adams, 18, of 222 Del Prado drive, driver of one of the cars, was given emergency treatment at Kaiser Foundation Hospital in South San Francisco for a shoulder injury. A passenger, Mary A. Adams, 41, of the same address, suffered lacerations and abraisons and also was treated at the Kaiser Hospital.
Both were transferred to Mary's Help Hospital in San Francisco for further treatment.
Police identified the driver of the other car as Frank Witt, 70, of San Francisco.

EARLY DAYS
In the early days of motoring, country folks sprinkled glass, nails, rakes, and crosscut saws along the roads to puncture tires on the noisy new vehicles.

TV and RADIO

By Mona Baker

It is crystal ball time again —what's ahead for the fall TV season? Most of the networks have their fall schedules lined up and we think you are in for a treat.

National education television. (shown locally over KQED) has planned more documentaries and a weekly television science report for the coming season. Each week there will be at least 90 minutes of national and international documentaries at prime viewing time. Many of the coming programs will have an international flavor; a prize-winning series from Sweden with leading stars of Swedish and Danish ballet; stars of La Scala Opera company in three Italian comic operas; series on art in Britain; French film maker Jean-Marie Dront's impressions of Amsterdam's artists and artistic life.

For several months now CBS has had their full evening schedule completed and it includes many new series and specials. Highlight of their fall programs is a full hour dramatic series drawn from American history called "The Great Adventure" with eleven outstanding writers signed to prepare the dramas and special music composed by Richard Rodgers.

NBC too has planned a new dramatic series "The Richard Boone Show" with a staff of leading writers. New addition also to the NBC network schedule will be a weekly full hour news series covering public events, arts, science, sports, drama, titled "Sunday." Also a highlight of the season will be the 1964 summer Olympic games beginning October 10 over KRON-TV.

ABC will cover the 1964 winter Olympics at Innsbruck, Austria. Another interesting program planned for ABC is a series of hour-long documentaries "The Sage of Western Man" with on-the-scene camera coverage around the world. For science fiction fans a new anthology series will premiere on Monday nights..

The "small fry" have not been forgotten either. Promising to be a most worthwhile series is a program for preschoolers (NET series) "Preparing Your Child for Reading" designed for parents to help children to read with professional guidance. ABC's award - winning "Discovery" will become a Sunday afternoon feature. Good news too, "Walt Disney's Wonderful World of Color" has been signed for two more seasons over NBC.

Circus Thrills at Pack 360 Meeting

The flag ceremony, led by Den 3, opened the last spring meeting of Pack 360.

New Bobcats, Michael Dab, Barry Miguel and Tommy Schoch were initiated and welcomed into the pack.

Margaret Caldow and Beverly Bainbridge received cards of thanks for their fine work as Den Mothers.

Boys earning awards were Wesley Sennett, Lion badge; Jim Brady, Tom Price and Don Shockley, 1 year pins; Jim Brady, Bear badge and Gold arrow; Gary Church, Bear badge, Gold and Silver arrows; Micky Egan, Bear badge and assistant Denner; Dane Newby, Don Shockley and Andy Vincent, Bear badges; Jim Cairns, Wolf badge, Gold arrow and assistant Denner; Connor Oliver, Wolf badge and Denner; Howard Elfant, Bob Jinkins, Arne Risy, Wolf badges.

Eric Gibbons, Gordon Reynolds, Ricky Washford earned Gold arrows; John Maderiaga, Lenny Yamron earned Gold and Silver arrows; Mike Bainbridge, Jim DeAlba, Robert Fickert, Tom Price, Mike Salinger, Joel Shamitoff earned Silver arrows; Stephen Hall and Steve Semenero earned Denner; Billy Harrington, assistant Denner.

Each boy in the pack was given a "San Francisco Council" patch to complete their uniform.

For the rest of the meeting the boys were busy trying their skills at the different circus games and exhibits. A few boys dressed as freaks to entertain the parents.

Twenty Future Secretaries Take a Tour

Twenty future secretaries from Mrs. Jane Schweitzer's advanced steno class at Westmoor High were given a private tour through the Pacific Telephone Company Building on May 24 by school representative Margueretta Shepard.

Visited in the company's central office were the marketing department, where stocks and bonds are sold; the steno pool, where beginning secretaries may be called for service when needed; a private office, where, after about three months with the company, a girl may fill a regular secretarial position; and the reproduction department, where carbon copies are produced in mass number.

The girls, who learned much about the company during their trip, were quite impressed with the varied, interesting work offered, as well as the opportunities for advancement.

Senior Barbara O'Canna exclaimed: "This field trip has changed my viewpoint towards big corporations such as the Pacific Telephone Company. The trip was very enjoyable, and Miss Shepard was very friendly and helpful towards all the girls. Miss Shepard and the Pacific Telephone Company, I am sure, made a lasting impression on all who went on this field trip."

Appreciating the chance for her students to receive such an experience, Mrs. Schweitzer commented: "This tour gave the students an opportunity to view the business world first hand."
